

Addendum to FAR 52.212-2 EVALUATION FACTORS

Best Value Approach

The Government intends to make an award based on the initial quote. If further questions are required, the contracting officer may contact the Vendor. A comparative evaluation shall be made on all quotes received against the following factors: Price, Delivery, Licenses and Certifications, Sanitation and Workmanship, against the statement of requirements and Past Performance.

Price: The quantities listed in the pricing schedule are estimated quantities for the Nutrition & Food Services. Required Documentation: Provide completed Attachment 3.

Delivery: Vendor has plan for delivery to the W.C Bill Young Medical Center at all times, inclusive to emergency deliveries, and post hurricane, disaster conditions. See statement of requirements attachment 3. Required Documentation: Provide your delivery plan for hurricanes, disaster, and emergency.

Sanitation and Workmanship: Meets all Food and Drug Administration (FDA) standards for preparing, processing, packing, freshness for dairy products and labeling products. See statement of requirements see attachment 2. Required Documentation: Provide a description of how your company complies with the above-mentioned FDA standards.

Past Performance: Past performance will be evaluated to determine if relevant and recent. Relevant means applicable and pertinent to the delivery of milk and dairy products and Recent means performed within the past five (5) years. The Government will review the references submitted in the past performance questionnaire for up to three (3) projects of similar size, scope and complexity, and determine if Acceptable, Unacceptable or Neutral based on the below chart. Acceptable past performance is preferred.

Past Performance Evaluation	
Rating	Description
Acceptable	Vendor provided (3) references of relevant and recent past performance that were satisfactory.
Unacceptable	Vendor provided at least (1) relevant and recent past performance that was satisfactory or references provided were less than satisfactory.
Neutral	Vendor provided no references.
