(RFI RESPONSES)

1. 64+ cameras and 8 sites...there is not enough information to bid. Please provide building plans and photographs of each building along with the desired camera locate and orientation. Does every location get the same quantity and configuration?

Technical Representatives response. Presently there are no building plans available at the time need to support this requirement. The recommendation was to offer two site visit opportunities as well as provide sufficient support via RFI responses. During installed additional drawing, will be provided if needed.

2. Is there a desired schedule? Can the installer move from site to site without delay?

Technical Representatives response.

Yes, there is a desired schedule completion of all sites no later than 90 days from awarding of contract

3. Are there existing systems at any sites?

Yes, there are existing at some locations and it is the responsibility of the contractor remove and properly dispose of.

4. Are building ceilings drop down suspended or poured concrete?

Dropped suspended.

5. Do you want NVRs to record video? What memory capacity at what resolution and frame rate?

Yes, the NVR must record, and be capable of storing at least 90 days of data and a frame of no less than 10 fps.

6. When is the bid due? Doc says 9/10 and 9/11.
