0003	Power Compound, Angled Large Bore Drill Attachment (3.2mm), Length 14 cm	6	EA	
0004	Power Compound, Straight Large Bore Drill Attachment (3.2mm), Length 9cm	6	EA	
<u>Total Cost:</u>				

Literature on the above items must be sent separately from price schedule.

LINE ITEM 1:

- Must have a large user interface screen with touch screen capability, a carrying handle and can be attached to an IV pole.
- Must have two irrigation pumps integrated into one console.
- Must be compatible with existing Midas Rex Clearview irrigating spine tools for MIS (minimally invasive spine / surgery).
- Must have the endo-scrub 2 finger switch, endo scrub 2 foot pedal and Inteliflow irrigation remote control connector.
- Must have audible tones for the different hand pieces and drill when hooked up.

LINE ITEM 2:

- Must be electric hook-up, not pneumatic.
- Must provide “on-drill” irrigation – meaning irrigation is continuous during the drilling process.
- Must be a high speed, high torque, reversible electric motor used to dissect bone and biomaterials that has selectable speeds from 200 to 75000 rpm.
- Must have a skeeter drill connector.

LINE ITEM 3:

- Must be able to be steam sterilized.
- Must be compatible with existing Medtronic IPC Drill system.

LINE ITEM 4:

- Must be able to be steam sterilized.
- Must be compatible with existing Medtronic IPC Drill system.
