

## Classical Shade Guide A1 – D4 Shade Guide

Improves the shade selection by matching shades faster. The new shade tabs offer a realistic shade and translucency that's relevant to the final restoration's appearance. All the shade tabs are fabricated from Vitablocs material.

- G68-990 VITA Classical A1 – D4 Shade Guide
- Entire guide (holder and tabs) are autoclaved
- Wider metal tabs increase retention of the tab into the slots of the holder
