

## Attachment A: Combine Synopsis

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in FAR Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. The Department of Veterans Affairs, Miami VA Hospital and James A. Haley VA Hospital require an Intraoperative Visualization System used for ophthalmic surgery. System allows for both Microscope and Optical Coherence Tomography (OCT) capabilities in one system, suitable for both anterior segment and retinal surgery. Solicitation number VA248-17-Q-1724 is issued as a Request for Quotation (RFQ). This document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2005-95, effective 01-19-2017. The associated North American Industry Classification System (NAICS) Code for this acquisition is 339112, size standard 1000 employees. The Contracting Officer plans to award without discussions.

All offerors shall be registered in the System for Award Management (SAM) at <https://www.sam.gov> to be considered for an award of a federal contract.

A comparative evaluation shall be made on all quotes received. The evaluation team shall evaluate:

1. Functionality/Specifications of the quoter's Intraoperative Visualization System against the salient characteristics and technical specifications
2. Price
3. Offeror shall also provide evidence of being an Authorized Reseller (Distributor) for product offered.
