Subject: Morovis National Cemetery, Puerto Rico—Time Extension

The purpose of this amendment is to extend the response date to our September 12, 2017 letter for those offerors in the competitive range from September 22, 2017 to November 22, 2017 given Hurricane Maria impacts. Continue to monitor the FBO web site to continue receiving updates related to this solicitation.

For offerors not in the competitive range and requesting debriefings, the government will notify you with a time and date based on the ability to make outgoing calls and your availability.

On behalf of the Department of Veterans Affairs I want to thank you for your time and patience as Puerto Rico deals with Hurricane Maria aftermath.

Terance Crawley,
Contract Officer
