2. ANSWERS TO VENDOR QUESTIONS

It is important to note that this solicitation no. VA259-17-Q-0953 stands solely on its own merits. This solicitation VA259-17-Q-0953 is created specifically with current, and forecasted, VA local requirements defined in the solicitation document clearly so that it accurately satisfies the VA's needs in a performance-based acquisition, for this location.

For information on the previous contract “*scope*”, or what the “*requirements*” were for any former contracts, vendors or enquiring parties will need to submit a formal [VA FOIA](https://www.oprm.va.gov/foia/) request at <https://www.oprm.va.gov/foia/>

Seasonal contracted services, pertaining to NAICS 561730, are recently performed on VA259-17-C-0155.

Publicly available information about former contracts for services under the same NAICS code, or similar service description, for this agency at this location, can be identified by applying an advanced search on FPDS.gov and USAspending.gov

All solicitation items remain unchanged.
