

B.3 PRICE SCHEDULE

SCHEDULE OF SERVICES

The Contractor shall provide Medical Diagnostic Physicist services necessary to perform onsite and offsite services as outlined in this statement of work to VAMCs as required by the VHA MML which outlines administrative and operational procedures for safe management of all radioactive materials, regardless of source or method of production, and required application of the standards for acquisition, receipt, storage, distribution, use, transfer, and disposal of radioactive materials.

The contractor shall furnish the quarterly and daily rate(s) as requested in the item table below. Potential offerors should refer to the equipment list located in Section D.3. This equipment list shall serve as a draft to aid potential offerors in proposing prices. This list, while inclusive, cannot account for any equipment additions or decommissions.

Place of Performance: Services shall be provided on site, Department of Veterans Affairs Medical Centers, at the campuses outlined in para B.4.1.

The guaranteed minimum award amount for this contract is 4 Quarters (4 QTR). The maximum value of services the Government will acquire under the contract for the base period of performance and all exercised option years shall not exceed 60 Quarters (60) QTR. The Government does not guarantee that it will place any orders under this contract in excess of the guaranteed minimum award amount

B.3.1 BASE PERIOD

Contract Period: Base POP Begin: 01-01-2018 POP End: 09-30-2018

ITEM NUMBER	DESCRIPTION OF SUPPLIES/SERVICES	UNIT	UNIT PRICE
0001	To Provide Medical Physics Services to the BRONX VAMC as outlined in Statement of Work.	QTR	_____
0002	To Provide Medical Physics Services to the HUDSON VALLEY VAMC as outlined in Statement of Work.	QTR	_____
0003	To Provide Medical Physics Services to the NORHTPORT VAMC as outlined in Statement of Work.	QTR	_____
0004	To Provide Medical Physics Services to the New Jersey Healthcare System, East Orange Campus, as outlined in Statement of Work.	QTR	_____
0005	To Provide Medical Physics Services to the New Jersey Healthcare System, Lyons Campus, as outlined in Statement of Work.	QTR	_____
0006	To Provide Backup RSO Coverage	DY	_____

B.3.2 OPTION PERIOD ONE

CONTRACT PERIOD: OPTION YEAR ONE POP BEGIN: 10-01-2018 POP END: 09-30-2019

ITEM NUMBER	DESCRIPTION OF SUPPLIES/SERVICES	UNIT	UNIT PRICE
1001	To Provide Medical Physics Services to the BRONX VAMC as outlined in Statement of Work.	QTR	_____
1002	To Provide Medical Physics Services to the HUDSON VALLEY VAMC as outlined in Statement of Work.	QTR	_____
1003	To Provide Medical Physics Services to the NORHTPORT VAMC as outlined in Statement of Work.	QTR	_____
1004	To Provide Medical Physics Services to the New Jersey Healthcare System, East Orange Campus, as outlined in Statement of Work.	QTR	_____
1005	To Provide Medical Physics Services to the New Jersey Healthcare System, Lyons Campus, as outlined in Statement of Work.	QTR	_____
0006	To Provide Backup RSO Coverage	DY	_____
