

VA69D-17-B-1727 Replace Roofing B452

ATT006 Response to RFI's

12/7/2017

RFI #1: This solicitation has a requirement to re-roof the Tramways adjacent to Bldg 402A. We would like to know if the government would accept an alternate option to roof the Tramways 1, 2 and 3 with foam to match Bldg 402A. The connection of these systems will make for a better or more positive seal at the point of intersection.

Answer to RFI #1: This proposed alternative would be acceptable.
