

Evaluation Form for Solicitation No.: 36C24818Q0186

BASIS FOR AWARD

1. The Government intends to evaluate quotes and award a contract without discussions with quoters. Therefore, the quoter's initial quote should contain the quoter's best terms from a price, technical and past performance standpoint.

2. Award will be made to the lowest priced technically acceptable quotation.

COMPANY: AE Medical- SMALL BUSINESS				
	FACTOR	GO	NO-GO	COMMENTS
1.	TECHNICAL FACTOR – Prospective contractors (quoters) shall meet and provide all solicitation technical requirements and submissions. Technician performing the work shall provide a preventive maintenance plan to the government that clearly demonstrates the contractor understands and has the ability to successfully execute the requirements for the preventive maintenance, repair; reporting; and emergency services on the equipment within the SOW. Part of this plan shall include a preventive maintenance schedule for the equipment identified within the SOW.			
2.	PAST PERFORMANCE FACTOR - Past performance must be relevant and recent. In order to be considered relevant and recent, all references shall be similar in scope to the solicitation requirement, and services performed within the last three years preceding the submission of this quote.			
3.	PRICE FACTOR - Price will be evaluated to determine price reasonableness.
