Computer Hardware:

(1) Dell All-In-One with 23" Full HD Display

(1) Dell USB Keyboard and Optical Mouse

Computer Operating System Software:

(1) Windows 7 Professional 64-bit

Technical specifications, specific hardware configurations and software versions subject to change without notice.

Mobile Workspot Cart

Mobile cart combines a compact, lightweight design, superior ergonomics, and a comprehensive set of features for point of care applications.

- Easy to use, adjustable work tray, keyboard and computer
- Document cover protects reference documents and notes placed on the work surface
- Raised edge around work surface helps retain spills
- Oversized 19" wide x 14" deep work surface
- Bar code scanner bin allows for easy storage and retrieval of most bar code scanners
- Contoured handle minimizes strain when pushing cart
- 17"x17" compact base, contoured to 14.5" at center for easy maneuvering in patient areas and tight spaces
- IEC 60601-1 3rd edition compliant system for patient safety

UroNav MR/US Fusion Software

- Imports magnetic resonance (MR) data directly from DynaCAD V3.0 (sold separately) and/or PACS network or storage media
- Performs fusion of DynaCAD 3D MR results and US volumes and provides registration and visualization of MR targets
- Provides real-time, interactive visualization of interventional devices and target anatomy
- Creates and exports result images of physician-identified biopsy core locations
- Provides reporting of procedure data
- DICOM-compliant interface

UroNav Electromagnetic Navigation System
