**F. Safety:** All Vendor staff shall come to the job site equipped with all necessary safety gear including but not limited to eye protection, hard hats, etc.

**G. Deliveries and Work Schedule:** All deliveries must be scheduled through the COR before installation. All work is to be performed between 8:00am and 4:00pm weekdays, unless specifically coordinated otherwise with the COR. Vendor is responsible for notifying COR in advance of arrival and departure,

**H. Security:** The Vendor shall supply a list of personnel requiring access to the installation location five (5) days before starting work. There shall be no smoking, eating, or drinking inside the clinic at any time. Smoking in designated areas outside the buildings shall be allowed.

**I. Acceptance Inspection:** The Vendor shall conduct a joint inspection with the COR once all Furniture has been installed. The COR shall inspect all phases of delivery and installation with a sign-off of any and all missing or damaged products in the form of a Vendor provided punch list. The Vendor shall provide detailed punch list items and established dates for replacement parts and/or short ship items from the manufacturer(s). The COR shall ensure all work is completed satisfactorily prior to acceptance. Disputes shall be resolved by the Contracting Officer.

**J. Clean-up:** The Vendor shall remove all related shipping debris and construction cleanup associated with installation of the furniture. The Vendor shall be responsible for any damage to the building that occurs due to Vendor error or neglect. The Vendor shall be responsible for the coordination of staging areas and parking within the receiving area of the building.

4. **Scope:** The Vendor shall provide and install the furniture items listed in Attachment 1. Reference the Furniture Plan at Attachment 2 for corresponding room numbers and item placement locations. For each item, provide the specified Brand Name or Equal. All items must meet or exceed the specified Brand Name manufacturer's salient characteristics. All furnishing need to have anti-microbial properties and meet NFPA 101 requirements for furnishings.
5. **Guarantee/Warranty:** The Vendor is an authorized dealer for any Name Brand or Equal furniture items provided. Only Name Brand or Equal components and approved installation practices will be used. The Vendor warrants the installation against defects of materials and workmanship under normal use and service for one year from the date of installation. The Vendor will field-repair equipment or provide an equivalent loaned item while the item is under repair or replaced if necessary to the satisfaction of the Government. All furnishing items shall have a limited lifetime warranty for normal use and service. The Vendor shall provide a copy of the written warranty upon delivery of the equipment.

6. **Selection Criteria**: Submit a proposal on company letterhead for the above outlined products and services. Material and installation/delivery charges are to be listed separately. Only specified Name Brand, Equal or Better items on GSA schedule will be considered.
