**4. Authority:**

**ORDER AGAINST FSS:** Authority of the Multiple Award Schedule Program, Title III of the Federal Property and Administrative Services Act of 1949 (41 USC 251, et seq.); Title 40 USC 501, Services for Executive Agencies; and Section 803 of the National Defense Authorization Act of 2002 (PL 107-107) and implemented by [FAR 8.405-6](#). Mark the applicable exception:

**An urgent and compelling need exists**, and following the procedures would result in unacceptable delays([FAR 8.405-6\(a\)\(1\)\(i\)\(A\)](#));

**Only one source** is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized; ([FAR 8.405-6\(a\)\(1\)\(i\)\(B\)](#));

In the interest of economy and efficiency, the new work is a **logical follow-on** to an original Federal Supply Schedule order and the original order was placed in accordance with the applicable Federal Supply Schedule ordering procedures. **The original order was not previously issued under sole-source or limited-sources procedures** ([FAR 8.405-6\(a\)\(1\)\(i\)\(C\)](#)); or

**Items peculiar to one manufacturer.** An item peculiar to one manufacturer can be a particular brand name, product, or a feature of a product, peculiar to one manufacturer). A brand name item, whether available on one or more schedule contracts, is an item peculiar to one manufacturer ([FAR 8.405-6\(b\)](#)).

**5. Rational/explanation to support cited authority:**

All of the requested items shall coincide with existing Haworth and OFS products throughout the facility. The product must correspond and function with the current Haworth and OFS fixtures to provide a uniform appearance. An alternative manufacturer, line of furniture, finishes or fabrics, etc. would be unsuccessful and cause incompatible items.

6. BRAND NAME ONLY (*Delete this section if it does not apply*): This buy is estimated to exceed \$25,000 and this documentation will be posted along with the RFQ on e-Buy, as required by [FAR 8.405-1\(e\)](#).

7. Note that this determination satisfies the requirements of [FAR 8.405-6](#). The requirement to prepare a written justification [IAW FAR 6.303](#) does not apply to Federal Supply Schedules
