

**REQUEST FOR INFORMATION (RFI)
36C250-18-B-0081**

PROJECT NUMBER:	610-15-100	Please ensure that before submitting questions or requests for clarification that you thoroughly read the solicitation, specifications, drawings and other pertinent documents. When submitting questions on this project the Government requires contractors to specifically identify the specification and/or solicitation section(s) or drawing number(s) in reference to the question or request for clarification submitted. No question or request for clarification will be answered by the Government unless the above requirements are met. Failure to comply may prevent the Government from responding in a timely manner.

RFI NO.: 006	DATE: 12/26/2017	SPEC/DWG. REFERENCE(s): 01 General Requirements - Temporary Utilities
REPLY NEEDED BY: 01/05/2018		

INFORMATION NEEDED:

Will contractor be allowed to use the existing electrical system? If so, will there be cost associated?

The Contractor shall meter and pay for electricity required for large equipment such as electric cranes, hoisting devices, electrical welding devices and any electrical heating devices providing temporary heat. Electricity for all other uses is available at no cost to the Contractor.

REPLY:

RFI's will be answered by amendment(s) posted to fbo.gov.
