Construction Details

Case construction

All parts of our cabinets are made with dry construction, letting you remove and replace individual components on-site when needed instead of replacing the entire cabinet.

Laminate cabinets with a 3 mm PVC edge.

Optional veneer cabinets with veneer edge and laminate top provide a premium, yet durable finish.

Woodgrain runs the length of the surfaces for consistent aesthetic.

Components

Drawer boxes are made of wood with dovetailed joinery for added structural integrity.

All drawers and pullout shelves include bottom-mounted, quiet-closing guides.

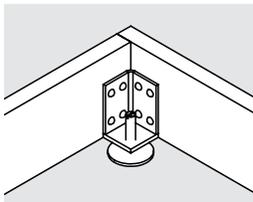

Optional Corian® tops available in Bisque, Glacier White and Cameo provide an enhanced aesthetic and long lasting performance.

Plinth bases are standard and made from the same material and finish as the cabinet.

Hardware

Adjustable leveling glides ease installation.

Locks are available on all drawers and doors.

OP 10 Lock with key

Square drive screws provide tamper resistance

Drawer pulls available in three styles:

#8 Brushed Stainless

#18 Nickel Satin

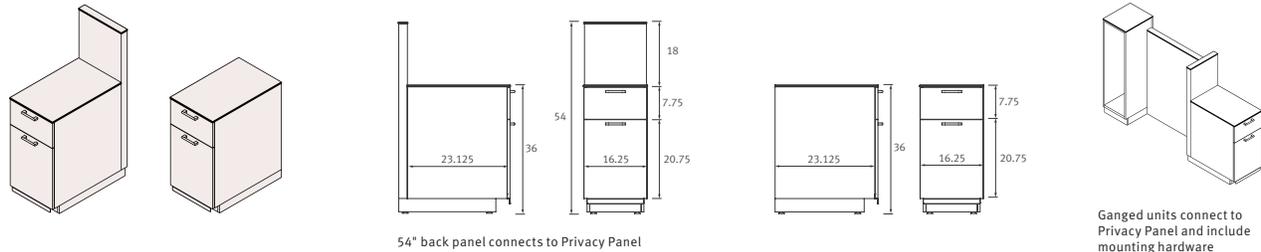

#19 Steel

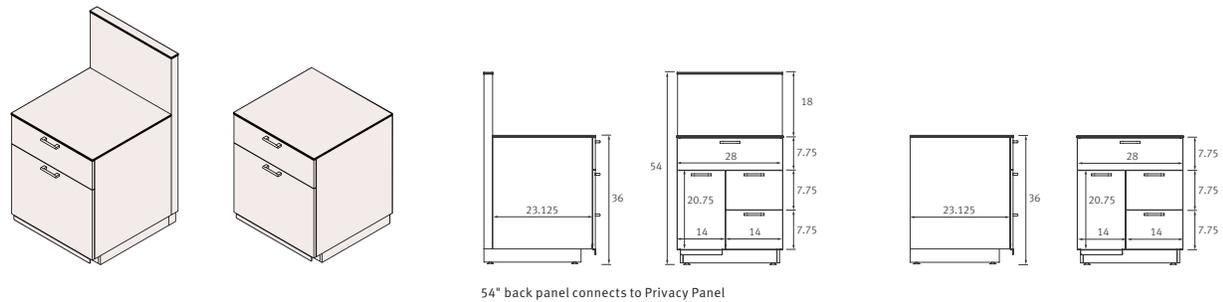

Product Details

Nurse Servers

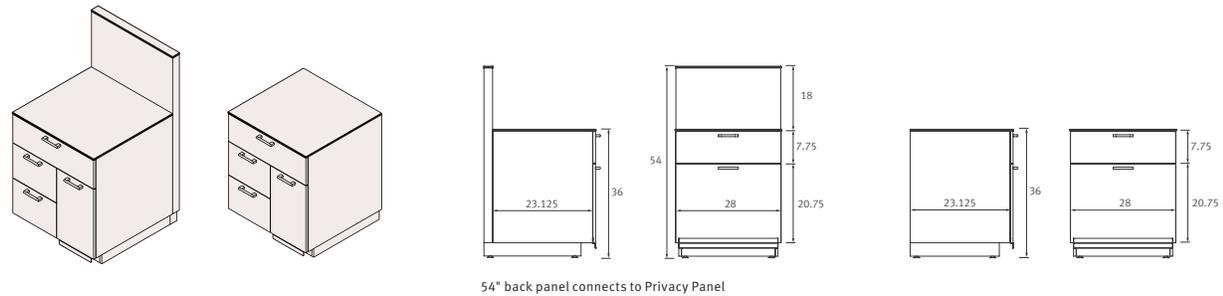

TRA50 Nurse Server: Ganged RH or freestanding
TRA51 Nurse Server: Ganged LH

TRA53 Shared Nurse Server: Ganged or freestanding

TRA52 Shared Nurse Server with recycling center: Ganged or freestanding

Soft-close drawers with under-mount drawer guides.

TRA50/TRA51/TRA52 bottom drawer includes 35 quart waste container on a pullout shelf and full extension, quiet-closing guides.

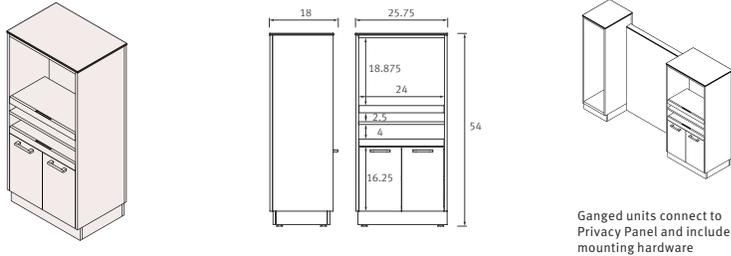

TRA53 recycling center separates garbage, plastic, glass, metal or paper. Includes three color-coded 25 quart polymer containers, a canvas bag for paper, and heavy-duty, brushed aluminum quiet-closing guides.

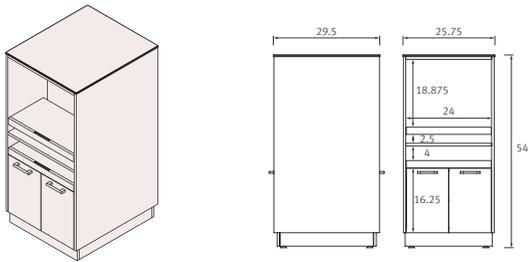

Powder-coated steel toe plate for hands-free operation.

TV Cabinets

TRA59 / TRA60 TV Cabinet: Ganged RH or LH or freestanding

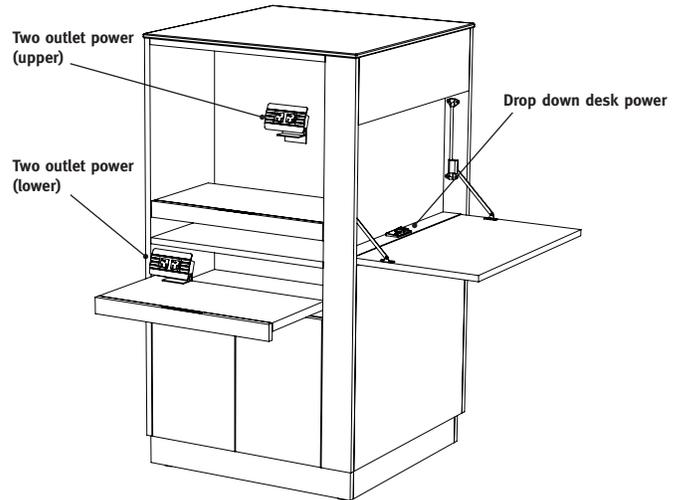

TRA63 Shared TV Cabinet: Ganged or freestanding

Removable panel to conceal wiring.

Two pull out shelves.

Optional: 2 outlets available in TV opening and middle shelf (must be hard-wired)

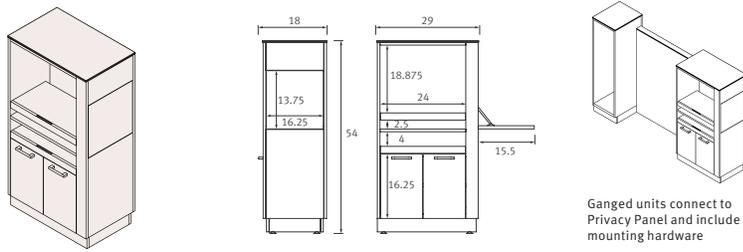

Adjustable shelf behind doors for configuration flexibility.

Quiet-closing doors to minimize noise.

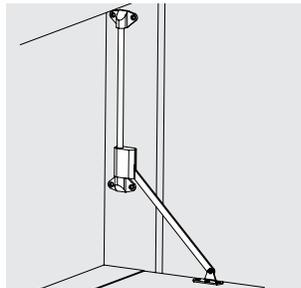

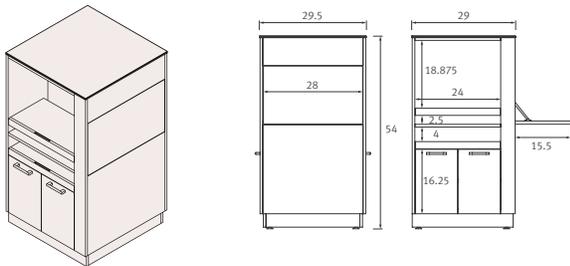

TV Cabinets with Desk

TRA61 / TRA62 TV Cabinet with drop lid desk: Ganged RH / LH or freestanding

Ganged units connect to Privacy Panel and include mounting hardware

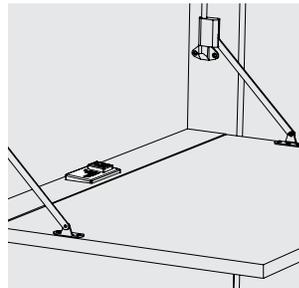

TRA64 Shared TV Cabinet with Drop Lid Desk: Ganged or freestanding

Chrome-plated hinge supports the drop-lid desk.

25 lb desk weight capacity.

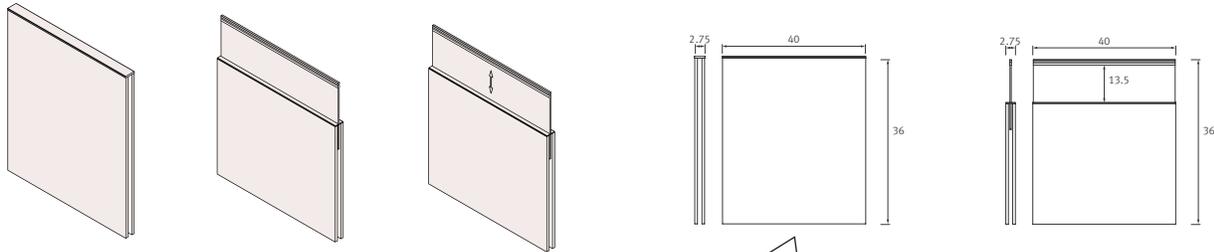

Optional power with one outlet, two USB ports and CAT6 data.

Privacy Screen

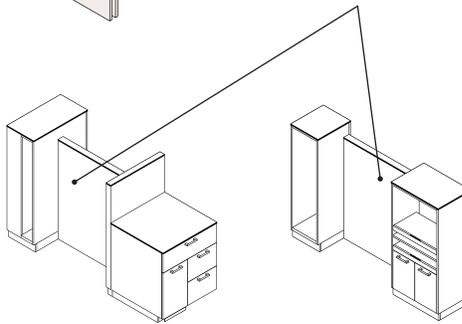

TRA65 Shared Privacy: Fixed (Option Non-Translucent)

TRA65 Shared Privacy: Fixed (Semi-Translucent)

TRA66 Shared Privacy: Adjustable (Semi-Translucent)

Standard in 10 preconfigured models:
 TRA100, TRA101, TRA102, TRA103,
 TRA104, TRA105, TRA106, TRA107,
 TRA108, TRA109

Designed for installation between two cabinets.

Removable panel for serviceability.

Width dimension supports the placement of Terra benches TRA67 and TRA68.

3form® Varia Ecoresin panels are available in:
 Varia Pure White, Hush Gesso or Ion Wheat*

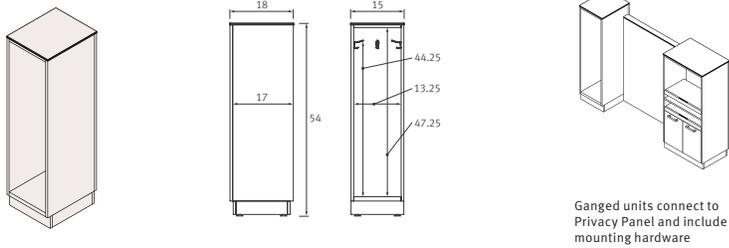

Corian caps in White, Bisque, or Glacier*

* Contact your Customer Service Representative for other 3form or Corian patterns and colors

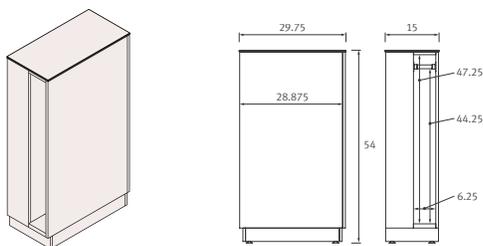

Wardrobes

TRA56 / TRA57 Wardrobe: Ganged RH / LH or freestanding

Ganged units connect to Privacy Panel and include mounting hardware

TRA58 Shared Wardrobe: Ganged or freestanding

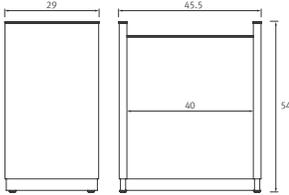

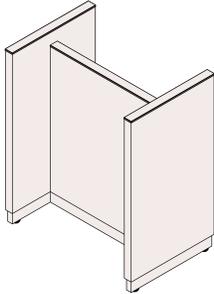

Single models include three chrome-plated clothing hooks.

Shared models include one chrome-plated clothing bar (3" w x 1 1/16" dia.)

Movable Partition

TRA54 Movable Partition

Optional Corian top caps.

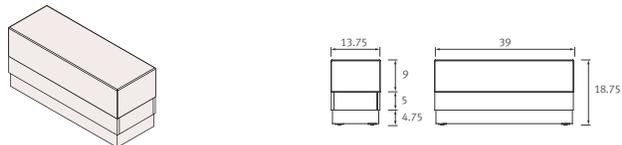

Standard 2" glides or optional 2" locking casters provide mobility flexibility.

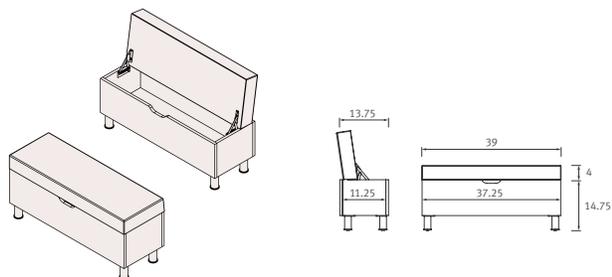

Width dimension supports the placement of Terra benches TRA67 and TRA68.

Benches

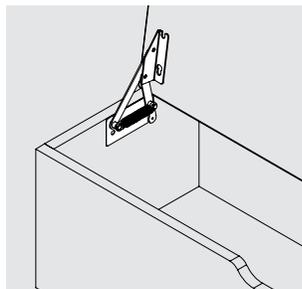

TRA67 Bench: COM yardage: 1.25

TRA68 Bench with Storage: COM yardage: 1.0

Shown with optional legs

Chrome-plated hinged top allows storage within the bench. Hinge joints feature a stop to prevent the open seat from slamming.

Optional powder-coated legs (plinth base is standard).
