RE:

From Eugene Seiter, VA COR (January 9, 2018):

1. Sheet M601 states "Other Acceptable manufacturers: None". This implies that we are sole sourcing for fan coils, which is not the VA's intent. It should state "VA Approved Equals".

Summary

RFI RESPONSE:

1. The following clarification shall be made to sheet M601, Fan Coil Unit Schedule, under Notes. Note 1 shall read "1. Other Acceptable Manufacturer's: VA Approved Equal."
