

July 16, 2012

Attention: Mr. Steve Barlow

Regarding: Department of Veterans Affairs
10701 East Boulevard
Cleveland, Ohio 44105
Steam Condensate Heat Recovery System – Amendment 04
VA Project 541-12-105

Mr. Barlow,

Please incorporate the following items in an addendum for the above referenced project.

Addendum Items:

1. Reference specification Commissioning of HVAC Systems, section 23 08 00, Replace in its entirety with the revised section.
2. Reference specification Common Work Results for Boiler Plant and Steam Generation, section 23 05 10, Replace in its entirety with the revised section.
3. Delete specification section 22 05 23 – General-Duty Valves for Plumbing Systems.
4. Delete specification section 22 08 00 – Commissioning of Plumbing Systems.
5. Delete specification section 22 11 00 - Facility Water Distribution.
6. Delete specification section 23 21 11 – Boiler Plant Piping System.
7. Delete specification section 23 50 11 – Boiler Plant Mechanical Equipment.
8. Delete specification section 23 51 00 – Breechings, Chimneys and Stacks.
9. Add specification section 23 21 13 – Hydronic Piping.
10. Add specification section 23 22 13 – Steam and Condensate Heating Piping.
11. Add specification section 23 22 23 – Steam Condensate Pumps.

Please contact us with any questions.

Sincerely,
Fredrick, Fredrick & Heller Engineers, Inc.
