

STATEMENT OF WORK

The chosen subscription company would provide yearly renewals for 126 journals in the Salt Lake City VA Medical Library. Medical journal subscription renewals are vital to the hospital medical staff to provide the most current information and medical updates.

Due to space limitations and actively striving to meet the demands of hospital medical staff, we are moving to an almost completely digital/online collection.

The journals, media types, and ISSN's subscribed to are as follows:

Title	Media Type	ISSN
AACR Journal Suite Includes: Cancer Discovery (Site License) (Online) Cancer Epidemiology, Biomarkers & Prevention (Site License) (Online) Cancer Immunology Research (Site License) (Online) Cancer Prevention Research (Site License) (Online) Cancer Research (Site License) (Online) Clinical Cancer Research (Site License) (Online) Molecular Cancer Research (Site License) (Online) Molecular Cancer Therapeutics (Site License) (Online)	Online	9999-9994
