6	9BTS	Repeater Pump Tubing	1
7	Computer	Computer with Flat Screen	1
8	729E8	Wet Cadet Foot Pedal	1
9	Support	One Year Support	1

Solution shall have the following requirements:

- Solution shall be fully automatic
- Solution shall complete up to 32 units a minute
- Solution must come with a complete sensor package
- Solution must be able to determine when there are outages of material
- Solution must have true type fonts, controlled drug symbols, bar codes (linear and 2D), password protection, pill camera, and management reports
- Solution must utilize thermal transfer printing
- Solution must utilize Class "A" packages and enclosures
- Solution must utilize a Servo Motor
- Solution must have an aluminum frame

## **Warranty**

Contractor shall provide one (1) year of ongoing support after installation of the equipment.

## **Installation**

Contractor shall install the solution at the Minneapolis VAHCS.

Contractor shall provide remote installation services to the Minneapolis VAHCS. If on-site installation support is needed, it will need to be approved by the COR and/or the Contracting Officer.

Contractor shall verify full functionality of the solution with the Minneapolis VAHCS before stating that installation has been completed.

Contractor shall coordinate installation during normal business hours. All onsite visits will be performed during the normal MVAHCS business hours (7:00 a.m. - 5:00 p.m.) Monday through Friday, except Federal holidays, unless otherwise specified. The contractor may work outside normal business hours by arrangement with the COR if such services are provided without additional charge to the Government. Any overtime charges must be approved by the COR prior to the initiation of overtime work.

## **Place of Performance**

The selected vendor shall provide equipment to the Minneapolis VA Health Care System. The address is One Veterans Drive, Minneapolis, MN 55417

All onsite visits, if applicable, will be performed during the normal MVAHCS business hours (7:00 a.m. - 5:00 p.m.) Monday through Friday, except Federal holidays, unless otherwise specified. The contractor may work outside normal business hours by arrangement with the COR if such services are provided without additional charge to the Government. Any overtime charges must be approved by the COR prior to the initiation of overtime work.
