B.2 STATEMENT OF WORK (SOW)

Description of Requirement

This is to establish a method of removing snow and ice from the Iowa City VA Health Care System (ICVAHCS) grounds. The Contractor shall provide all labor, equipment, tools, materials, and supervision necessary to remove snow and ice from all roadways, parking lots, sidewalks, steps, ramps, landings, crosswalks, and entryways at the ICVAHCS; this shall include salting/sanding specified areas.

Contractors shall provide hourly wages in accordance with U.S. Department of Labor Wage Determinations and FAR Subpart 22.10 (Service Contract Labor Standards); see Solicitation Attachment 2 (Wage Determination 2015-4983, Johnson County, IA).

Period of Performance

This will be a single award Blanket Purchase Agreement (BPA), for period of performance of 8/1/2018 to 7/31/2023. Services will be contracted through the issuance of BPA calls per each ordering period:

Ordering Period	Period Begins	Period Ends
1	8/1/2018	7/31/2019
2	8/1/2019	7/31/2020
3	8/1/2020	7/31/2021
4	8/1/2021	7/31/2022
5	8/1/2022	7/31/2023

Scope of Work

The Contractor shall remove snow and ice by plowing, blowing, brushing, sweeping, shoveling, or other suitable means not harmful to the traffic surface as necessary to produce and maintain safe passage of pedestrians and vehicles.

The Contractor shall apply sand, salt, etc., to treat the existing or developing unsafe conditions to produce safe passage of pedestrians and vehicles. The materials used by the Contractor shall not be damaging to the surface receiving the materials. Most generally, the VA will supply deicing material.

All equipment used and stored, all materials used and stored, and all removal methods used to displace snow and ice from surfaces shall be done in such a manner as to not cause damage to grass (turf), landscaping, trees, shrubs, vehicles, structures, fixtures, and people. Pertinent codes and regulations shall be adhered to such as U.S. Environmental Protection Agency (EPA), National Fire Protection Association (NFPA), etc.

Snow and ice shall be placed in piles at designated locations specified by the ICVAHCS. The Contractor may be asked to haul snow away from VA property.

Please refer to Solicitation Attachment 2 – Site Map – Snow and Ice Removal for map of areas to conduct snow and ice removal.

The Contractor shall mobilize and report within one (1) hour from the time of notification by the Contracting Officer's Representative (COR) or designee to treat traffic surfaces and action shall be continuous until treatment is no longer necessary. Notification can occur at any time, 24 hours a day, seven (7) days a week, including Federal Holidays. A call to the contractor may request to pre-salt specified areas when there is a forecast of snow.

All work shall be performed in the order prescribed by the ICVAHCS using a checklist and plot plan. The order of work may vary from one snowfall to the next.

In the event of special circumstances, i.e., the snow turning to rain or freezing rain making removal efforts ineffective, permission may be sought from the COR or designee to discontinue the plowing or the de-icing or both.

Each snow/ice abatement call requires the inspection and acceptance of the COR or designee upon completion before payment for that work can be authorized.

Walks and roadways shall have de-icing materials applied by a spreader-sander. De-icing materials shall be applied to steps and landings by hand. Entryways and ramps shall receive de-icing materials by hand or spreader as dictated by ease of access. Application by any method shall not be of a clumping effect.

All fire hydrants/fire lanes shall be kept clear of ice/snow and obstructions.

All tables, benches, trash receptacles, smoke shelters, and bus stops shall be kept clear of ice/snow and obstructions.

Excessive buildup of sand and debris which may cause unsafe passage of pedestrians and vehicles shall be removed within one (1) hour from the time the Contractor is notified by the COR or designee.

Roadway entrances/exits, bus stop passageways, sidewalks, and walkways obstructed by State and City snow plowing operations shall be kept clear by the Contractor.

Equipment used shall be comparable or better than that used by the ICVAHCS in the past:

- UTV/Tractor - rotary broom/front blade no larger than 8ft.
- Garden-type tractor with blade
- Unloader/Skid Loader - bucket
- Truck with sander and blade - truck GVWR under 2.5 tons, sander 2-3 cu. yd., blade 8 ft.

Manpower and equipment used shall be sufficient to provide an initial clean sweep of the ICVAHCS in three (3) hours.

ICVAHCS will provide space in Building 20 for Contractor to store snow removal equipment if needed:

- one (1) garden-type tractor with blade
- one (1) snow blower
- one (1) dozen bags de-icer
- one (1) skid loader

- gasoline and/or diesel cans of U.S Occupational Safety & Health Administration (OSHA)-approved safety type. All equipment will be filled out of doors. Safety cans will be stored in flammables storage cabinet provided by the VA.

ICVAHCS will provide space in close proximity to Building 20 for Contractor to store sand/salt pile.

ICVAHCS will provide key to Contractor for access to Building 20 during snow removal plus gate card to have access to parking lots and the medical center entrance. These will be checked out and back in through the Boiler Plant.

The Contractor will check in through the Boiler Plant upon arrival to do snow removal, check out the key and gate card assigned.

The Contractor will check out through the Boiler Plant when ready to leave the medical center upon completion of snow removal and return key and gate card.

Whenever the work requires the Contractor to gain temporary access to government controlled spaces, the Maintenance & Operations Supervisor will issue necessary keys/cards to the Contractor. The keys/cards issued are to remain on government property. The Contractor or his/her representative will be required to sign in receipt of any keys/cards issued and is responsible for returning them to the Maintenance & Operations Supervisor. In cases where keys/cards are lost or not returned to the government, funds in the amount of \$100.00 for each key/core unit will be retained from the contract. The number of key/core replacements necessary to affect re-securing the areas will determine the total contract retainage.

There will be a Snow Removal Time Sheet to be filled out at the end of each snow event. This will document what equipment was used, how much time was spent, and each individual who worked and their hourly rate. The total on this timesheet will correspond to the invoice received for total payment per job for each snow event. A copy of this timesheet will be left with the COR and an electronic version provided to COR upon COR request. After reviewing the timesheet, any corrections needed will be forwarded to the Contractor. Invoice for payment will then be submitted electronically in a timely manner.

A walk through shall be done with the Contractor and the COR of the property prior to winter snow season to review and document existing conditions of the parking lot.

Contractors are required and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. Failure to inspect the site will no way constitute grounds for a claim after contract award.

This is a BPA with estimated number of jobs per snow/ice event. Actual number of jobs can equal, exceed, or be less than estimated number of jobs.

B.3 OTHER BPA TERMS AND CONDITIONS

AUTHORIZED LIMITS:

Minimum and maximum orders allowable are set forth in FAR Clause 52.216 (Order Limitations) of BPA and are also listed here:

Minimum Order: \$5,000 per BPA call

Maximum Order: \$500,000 per BPA call

OBLIGATION OF FUNDS:

The BPA does not obligate any funds. The Government is obligated only to the extent of authorized BPA calls actually issued and awarded under the BPA by the Contracting Officer.

PRECEDENCE:

The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence. The Contractor's unconditional acceptance of this BPA, including all terms and conditions herein shall be considered binding upon the delivery of the first BPA call placed hereunder by a Contracting Officer. Failure of the Contractor to comply with any of the terms and conditions of the BPA and/or any BPA calls placed hereunder may be cause for the cancellation of this BPA.

CANCELLATION OF BPA:

The Government may cancel the BPA at any time by notifying the Contractor at least 30 days in advance. BPA cancellation does not release the Contractor from their duty to continue BPA call performance. Ongoing BPA calls continue in accordance with their own period of performance, even if the BPA is cancelled.

SECTION C - CONTRACT CLAUSES

C.1 52.212-4 CONTRACT TERMS AND CONDITIONS—COMMERCIAL ITEMS (JAN 2017)

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) *Disputes.* This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) Invoice.

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include—

- (i) Name and address of the Contractor;
- (ii) Invoice date and number;
- (iii) Contract number, line item number and, if applicable, the order number;
- (iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;
- (v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on Government bill of lading;
- (vi) Terms of any discount for prompt payment offered;
- (vii) Name and address of official to whom payment is to be sent;
- (viii) Name, title, and phone number of person to notify in event of defective invoice; and
- (ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.
- (x) Electronic funds transfer (EFT) banking information.

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

SECTION E - SOLICITATION PROVISIONS

E.1 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS (JAN 2017)

(a) *North American Industry Classification System (NAICS) code and small business size standard.* The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with subpart 4.10 of the Federal Acquisition Regulation), or alternative commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation “Unique Entity Identifier” followed by the unique entity identifier that identifies the Offeror’s name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.

If the Offeror does not become registered in the SAM database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror. Offerors may obtain information on registration and annual confirmation requirements via the SAM database accessed through <https://www.acquisition.gov>.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) [] Are, [] are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) [] Have, [] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).*

(1) *Listed end products.*

Listed End Product Listed Countries of Origin

(2) *Certification.* [If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.]

(i) The offeror will not supply any end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.
