The above performance measures are subject to change without prior notice, if necessary, to keep performance measures in compliance with Michael E. De Bakey VA Medical Center, VISN and Federal mandates.
- e. An individual case record will be created for each referred Veteran. - a. The Contractor will employ sufficient personnel to carry out the policies, responsibilities, and the program for the facility. There must be, as a minimum, at least one administrative staff member, or designee of equivalent professional capability, on duty on the premises or residing at the house and available for emergencies 24 hours a day, 7 days a week.
- b. The Contractor shall assign to this contract personnel that by education and training (and, when required, certification or licensure) are qualified to provide the Basic Services and Supplemental Services required by this SOW. The Contractor must identify each person functioning as “Key Personnel” under this contract, and provide to the VA a description of the services to be provided by such person, together with a resume summarizing that person’s relevant skills and experience.
- c. During the first ninety (90) calendar days of contract performance, the Contractor shall make NO substitutions of key personnel unless the substitution is necessitated by illness, death, or termination of employment. Within 14 days after substitutions necessitated by situations described above, the Contractor shall provide resumes for the substitute key personnel. For substitutions proposed by the Contractor after the initial 90 calendar day period, the Contractor shall provide resumes for the substitute personnel, together with any other additional information requested by the Contracting Officer, at least 15 days before the substitution is to occur. The Contracting Officer shall notify the Contractor within fifteen (15) calendar days after receipt of all required information if the VA refuses to accept the substitute key personnel. The VA reserves the right to refuse or revoke acceptance of key personnel if personal or professional conduct, or lack of required skills or experience, jeopardizes patient care or interferes with the regular and ordinary operation of the facility.
- d. Temporary substitutions of key personnel shall be permitted in accordance with the Contractor’s contingency plan. The Contractor’s contingency plan to be utilized if personnel leave Contractor’s employment or are unable to continue performance in accordance with the terms and conditions of the resulting contract must be submitted as part of the Contractor’s offer.

- e. All Contractor staff providing services to Veterans under this contract must undergo the appropriate background investigation as required by the VA. Before receiving an initial referral of Veterans under the contract, the Contractor shall submit a listing of all Contractor personnel proposed to provide services to Veterans under the contract. The VA will provide the necessary background information forms to the Contractor or to the Contractor's employees after receiving a list of names and addresses.
 - i. Upon receipt, the VA Contracting Officer will review the completed forms for accuracy and forward the forms to proper federal authorities to conduct background investigations.
 - ii. The VA facility shall pay for investigations conducted by the Office of Personnel Management (OPM) in advance. However, the Contractor is required to reimburse the VA for the cost of the investigations. The estimated cost for a Low Risk Level Background Investigation is \$200 per employee. The VA shall recover the cost of the investigations from the Contractor through offsets against amounts invoiced or against the guaranteed minimum payment, as appropriate.
 - iii. The VA Contracting Officer shall forward the completed background investigations to the Office of Security and Law Enforcement for adjudication. The Office of Security and Law Enforcement shall notify the Contracting Officer and Contractor after adjudicating the results of the background investigations received from the investigating office.
 - iv. The COR shall be responsible for verifying that investigations have been completed or are in the process of being requested before Veterans are referred to the Contractor's facilities.

2. REFERRALS

A. The VA is responsible for determining eligibility of Veterans prior to referral to the Contractor for treatment. A written MEDVAMC HCHV "Residential Support Program Authorization Voucher" (hard copy, fax or e-mail are acceptable) signed by an authorized VA ordering officer shall be provided to the Contractor for each Veteran referred for services under the contract.

B. The Contractor will have the option to conduct additional screening of VA eligible Veterans to maximize appropriate placement based on Contractor's available services. Any Veteran deemed inappropriate for admission will require a written rationale from Contractor.

C. A list of authorized VA ordering officials for the contract shall be provided to the Contractor upon award of the contract. Ordering officials may be added or deleted from the list during the term of the contract at the discretion of VA Contracting Officer. The Contractor shall be provided an updated list of authorized VA ordering officials whenever such changes are made.

D. It is understood that the Contractor will not be paid for care provided to a referred Veteran beyond the period authorized in the referral, unless an extension of the authorization is provided in writing by the VA.

E. The initial referral period for a Veteran may be up to ninety days, depending upon the needs of the Veteran as mutually determined by the Veteran, the Contractor's staff, and VA HCHV Program Director, GPD Liaison, or designee. An extension of the referral period up to a total of 6 months may be authorized by the VA HCHV Program Director, GPD Liaison, or designee, provided that funding is available. Treatment periods in excess of 6 months for individual Veterans must be authorized by the Medical Center Director or designee.

3. ABSENCES AND CANCELLATION – (GPD Leave of Absence Rule)

A. The Contractor shall notify the VA of unauthorized absences by a referred Veteran from the facility no later than the next business day. A Veteran who is absent without approval from Contractor with no expectation to return must be discharged after 24 hours and the appropriate exit form in the HOMES must be completed. Should a Veteran absent himself/herself from the Contractor's facility payment for services for that Veteran "can" be continued for a maximum period of "72-hours", provided there is an active outreach attempt on the part of the Contractor's staff to return the Veteran to the facility and there is a reasonable belief that the Veteran will return. The Contractor may authorize Veteran a 72 hour up to 14 day leave of absence for clinically appropriate reasons; however, the Contractor can only bill for the first 72 hours. The Contractor has the option of discharging the Veteran after the first 72 hours if the bed is not being held for the Veteran. Even if the provider holds the bed open for the Veteran, the Contractor must discharge the Veteran after the 14th day of absence. When and if the Veteran returns after the 14th day, it is considered a separate episode of care and the Veteran must reappear on the given month's admission list. If the Veteran has an approved absence and returns to the program in less than 14 days, there is no need to readmit the Veteran. However, the Contractor can only bill for 3 of those absent days (first 72 hours). The next consecutive 11 days will be considered no bill. Management of program dropout will be an element of quality assurance review of this program.

B. VA reserves the right to remove any or all Veterans from the facility at any time, without additional cost, when it is determined to be in the best interest of the VA or the Veteran.

The Contractor shall notify the authorizing VA facility immediately when a medical or mental health emergency occurs that requires hospitalization of a referred Veteran. It is agreed that the Veteran will be admitted to the appropriate VA facility. When such admission is not feasible because of the nature of the emergency, it is agreed that hospitalization in a non-federal hospital may be accomplished provided that VA authorization is obtained. If hospitalization of a non-emergency nature is required, it is agreed that admission to the appropriate VA facility will be accomplished promptly. Contractor is required to provide a copy of Standard Operating Procedures for handling patients with psychotic/suicidal patients behavior immediately to the Contract Office Representative (COR) or appropriate designated appointee of VA.

The Contractor shall notify the authorizing VA facility immediately of any incidents involving veterans residing in the residential program. The Contractor shall notify the VA case manager by telephone during the hours of 8:00am and 4:30pm. For all incidents that occur after normal business hours, the Contractor should notify the MEDVAMC Administrator on Duty (AOD) @ (713) 791-1414. The Contractor shall provide the HCHV GPD Liaison and the COTR with a copy of the incident report within 24 hours. The contractor shall maintain a copy of the incident report in the Veteran's case record.

4. CONTRATOR STAFF CONDUCT/COMPLAINTS HANDLING

A. Contractor personnel shall be expected to treat referred Veterans with dignity and respect and abide by standards of conduct mirroring those prescribed by current federal personnel regulations. The Contractor shall comply with the VA Patient's Bill of Rights as set forth in 38 CFR 17.34a (copy available upon request).

B. The VA reserves the right to exclude Contractor staff members from providing services to Veterans under this contract based on breaches of conduct, including conduct that jeopardizes patient care or interferes with the regular and ordinary operation of the facility. Breaches of conduct include intoxication or debilitation resulting from drug use, theft, patient abuse, dereliction or negligence in performing

directed tasks, or other conduct resulting in formal complaints by Veterans or other staff members to designated Government representatives. The Contractor and Contracting Officer's Technical Representative shall deal with issues raised concerning contractor personnel conduct. The Contracting Officer shall be the final arbiter on questions of acceptability and in validating complaints.

5. TRANSPORTATION

A. The Contractor shall assist the Veterans with local transportation to scheduled meetings and appointments. The Contractor will be expected to help the Veteran access public transportation, including providing bus passes and bus route information and instructions necessary to enable Veterans to utilize public transportation. If VA staff determines that adequate public transportation is not available or appropriate for a Veteran, the Contractor shall arrange for alternative transport by car.

6. FACILITY

A. It is the responsibility of the Contractor to properly maintain its facilities and the VA shall have no responsibility for paying or reimbursing the Contractor for such expenses. The contract facility must:

The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in

the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. Assignees shall be separately registered in the SAM database. (i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR Part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with

the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
