

STATEMENT OF WORK LEASE OF ENDOSCOPY EQUIPMENT

A. Overton Brooks VA Medical Center (OBVAMC), located at 510 E. Stoner Avenue, Shreveport, LA 71101 requires the services of a Contractor to provide full leasing, service for repair and software for Endoscopic systems. The contract period will be for a base period beginning date of award through April 30, 2019 with two (2) one-year options, exercisable at the discretion of the government. The total lease period will be from date of award through April 30, 2021, pending availability of funds.

B. The following equipment, manufactured by Olympus or its equal, shall be provided and installed by the contractor on site. Any equipment to be traded-in shall have the proper procedures and paperwork turned in and approved prior to being removed from the hospital. The equipment to be turned in by OBVAMC shall remain in service for 30 days following delivery of the new equipment to provide transition of training on new equipment as well as development of Standard Operating Procedures for the new equipment. The contractor shall specify Brand Name of Equal, if bidding on Equal, contractor shall provide literature on all items. If bidding on or Equal equipment the contractor shall provide descriptive literature of the offeror shall be considered non-responsive. This is an all-or-none bid. Partial bids will be considered non-responsive to the solicitation.

For Base Period Date of Award through April 30, 2019
