

**Contract Line Item Numbers & Salient Characteristics Attachment****Electronic Thermometers – Oral, Axillary, Rectal and Tympanic****Salient Characteristics (SC) - Literature Review**

SC 1 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must be FDA approved.

SC 2 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must be hospital grade.

SC 3 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must detect and display patient temperature.

SC 4 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must be hand held with the option to affix or a tether, wall or rolling stand.

SC 5 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must have a battery.

SC 6 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must be able to use disposable probe covers, caps or sheaths.

SC 7 Oral, Axillary, Rectal and Tympanic Electronic Thermometer must be able to be cleaned using hospital grade cleaning solutions.

**SC 1 through SC 7 are associated with the following CLINS:**

CLIN	MFG	Part Number	Description
0001	Welch Allyn	01690-200	Welch Allyn SureTemp Plus Model 690 Handheld Electronic Thermometer with Interchangeable Oral Probe Well, Oral Probe with 4.0 ft/1.2 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 4-6 Second Oral, 10-13 Second Pediatric Axillary, and 12-15 Second Adult Axillary Temperature Readings in Fahrenheit or Celsius. Two Year Warranty
0002	Welch Allyn	01690-400	Welch Allyn SureTemp Plus Model 690 Wall-Mount Electronic Thermometer with Interchangeable Oral Probe Well, Oral Probe with 4.0 ft/1.2 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 4-6 Second Oral, 10-13 Second Pediatric Axillary, and 12-15 Second Adult Axillary Temperature Readings in Fahrenheit or Celsius. Two Year Warranty
0003	Welch Allyn	01690-300	Welch Allyn SureTemp Plus Model 690 Wall-Mount Electronic Thermometer (One per Room) with Interchangeable Oral Probe Well, Oral Probe with 9.0 ft/2.7 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 4-6 Second Oral, 10-13 Second Pediatric Axillary, and 12-15 Second Adult Axillary Temperature Readings in Fahrenheit or Celsius; Training CD; Two Year Warranty
0004	Welch Allyn	01690-700	Welch Allyn SureTemp Plus 690 Electronic Thermometer on Mobile Stand with Interchangeable Oral Probe Well, Oral Probe with 9.0 ft/2.7 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 4-6 Second Oral, 10-13 Second Pediatric Axillary, and 12-15 Second Adult Axillary Temperature Readings in Fahrenheit or Celsius; Training CD; Two Year Warranty
0005	Welch Allyn	01690-201	Welch Allyn SureTemp Plus Model 690 Handheld Electronic Thermometer with Interchangeable Rectal Probe Well, Rectal Probe with 4.0 ft/1.2 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 10-13 Second Rectal Temperature Readings in Fahrenheit or Celsius; Training CD; Two Year Warranty
0006	Welch Allyn	01690-301	Welch Allyn SureTemp Plus Model 690 Wall-Mount Electronic Thermometer (One per Room) with Interchangeable Rectal Probe Well, Rectal Probe with 9.0 ft/2.7 m Cord, Last Temperature Recall; 3 Alkaline AA Batteries, provides 10-13 Second Rectal Temperature Readings in Fahrenheit or Celsius; Training CD; Two Year Warranty
0021	Welch Allyn	06000-200	Welch Allyn Braun Thermoscan Model Pro 6000 Tympanic Thermometer with Small Cradle; Training CD; Three Year Warranty

0022	Welch Allyn	06000-300	Welch Allyn Braun Thermoscan Model Pro 6000 Tympanic Thermometer with Large Cradle; Training CD; Three Year Warranty
