These items look like McClure linen carts? Can you confirm this or do you have a different product number from line item 1 in the solicitation?

We do not have a brand name or equal requirement or product number. The only requirement we have is for the carts to meet the salient characteristics under Attachment A.

Is there a current model number that can be used as a reference?

We do not have a current model number we can provide, only that the carts must meet the salient characteristics under Attachment A.
