For

NON-EXPENDABLE EQUIPMENT:

WARMING CABINETS

Prepared By:

Strategic Acquisition Center
Department of Veterans Affairs
10300 Spotsylvania Avenue, Suite 400
Fredericksburg, VA 22408

1. SCOPE OF WORK:

The Veterans Health Administration (VHA) Non-Expendable Equipment National Program has identified the Warming Cabinets product line as a candidate for a VA-wide (otherwise referred to as “national”) single Requirements contract award. Warming Cabinets store and warm linens, blankets, sterile intravenous (IV) and surgical irrigation fluids in a medical environment. Warming Cabinets often come in various sizes, and may have one, two or three compartments. Warming Cabinets are often used to warm IV and surgical irrigation fluids to reduce the risk of hypothermia in a patient following a surgical procedure. The Contractor must demonstrate the ability to meet all requirements for the solicitation. The objective is to provide Warming Cabinets to be used by clinicians throughout the VA medical centers and facilities. The period of performance is for one (1) 12 month base period with two (2) twelve (12) month option periods.

2. REQUIREMENT

This requirement will be IAW FAR clause 52.211-6, “Brand Name or Equal” which requires that the quoter indicate that each product that is being offered as an “equal” product to the Steris® brand of Warming Cabinets. For each equal product, the offeror must include a description reflecting the salient characteristics (SC) and level of quality that will satisfy the salient physical, functional, or performance characteristics of the equal product(s) specified in the solicitation. The quoter must also clearly identify the item by brand name (if any) and make/model number. Finally, the quoter must include descriptive literature, such as illustrations, drawings, or a clear reference to previously furnished descriptive data or information available to the contracting officer, and clearly describe any modifications it plans to make to a product to make it conform to the solicitation requirements.
