

**DEPARTMENT OF VETERANS AFFAIRS**

**Justification and Approval (J&A)**

**For**

**Other Than Full and Open Competition (>\$150K)**

**Acquisition Plan Action ID: VA242-18-AP-1280**

- 1. Contracting Activity:** Department of Veterans Affairs, VISN 02, New York Harbor Healthcare System (NYHHCS) New York Campus located at 423 E. 23rd Street, New York, NY 10010-5011. Biomedical Engineering Services of the NYHHCS, New York Campus, has submitted Purchase Request Number 630-18-1-3086-0004. This is a Justification for Other Than Full and Open Competition.
- 2. Nature and/or Description of the Action Being Processed:** This is a request for approval of purchasing various Olympus scopes of open market items in conjunction with NAC FSS items; on a delivery order under VA NAC contract V797P-2065D, to be used at the New York VA Medical Center. This procurement will be conducted in accordance with FAR Part 8.405; however, this justification for other than full and open competition is for those applicable open market items. The purpose of the equipment purchase is to reduce service costs and improve equipment turn-around time and reliability. This will be a firm-fixed price delivery order contract from contract V797P-2065D.
- 3. Description of Supplies/Services Required to Meet the Agency's Needs:** The New York VA Medical Center requires that the Contractor shall provide to the Government Olympus scopes and related equipment. The contract effort will be a NAC delivery order, as some of the required items are available on NAC Contract V797P-2065D. These open-market items are not available from the NAC contract. The purpose of the equipment purchase is to reduce service costs and improve equipment turn-around time and reliability. This will be a firm-fixed price delivery order contract from contract V797P-2065D. Open Market items for this NAC delivery order are as follows:

Model CV-190	Evis Exera III Video Processor	2	Each
Model TJF-Q180V	Video Duodenoscope	1	Each
Model IS72040	PLP-UNL Peerless Mounting Plate	3	Each
Model IS20297	NDS 42 Inch	3	Each
Model CLV-190	Evis Exera III Imaging System	2	Each
Model IS72039	PLA-60 Peerless Mounting Plate	3	Each
Model 257F8	Flexible Fulgurating Electrode	5	Each
Model A22002A	Telescope 30 Degrees	5	Each
Model C650-129A	Monopolar Active Cord	5	Each
Model CH-S190-08-LB	HD Ultra-Light Urological Camera	3	Each
Model CW-USLSA	Cyberwand System	1	Each
Model CW-USLTA	Cyberwand Advanced Transducer	2	Each
Model CYF-5R	Cysto-Nephro Fiberscope	2	Each
Model K10021612	WM-NP2 Workstation	3	Each
Model MR-6A	Ureteroscope 33cm	2	Each
Model MR-6LA	Ureteroscope 43cm	2	Each
Model MRO-742A	Slimline Ureteroscope	1	Each
Model OEV-261H	Olympus 26" LCD Monitor	1	Each

Chapter VI: Other Than Full and Open Competition (OFOC) SOP  
Attachment 3: Request for Sole Source Justification Format >\$150K

Model URF-P6R	Super-Slim Flexible Fiberoptic Ureteroscope	2	Each
Model WA03210A	Light Guide 7mm x 3mm	11	Each
Model HDVC-6-1	HDVC-6 6-Foot Cable	2	Each
Model OEV-262H	High Definition LCD Monitor, 26"	2	Each
Model WA03300A	Light-Guide Cable 2	10	Each
Model BF-UC180F-KIT	BF-UC180F Kit	1	Kit
Model BF-UC180F	Ultrasound Scope	1	Each
Model MAJ-2056	Detachable Ultrasound Cable	1	Each
Model NA-201SX-4022-A	Disposable Aspiration Needles	5	Each
Model NA-201SX-4021	Disposable Aspiration Needles	5	Each

The total value of the open market items under this justification is \$74,071.86.

**4. Statutory Authority Permitting Other than Full and Open Competition:**

- (X) (1) Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements per FAR 6.302-1;
- ( ) (2) Unusual and Compelling Urgency per FAR 6.302-2;
- ( ) (3) Industrial Mobilization, Engineering, Developmental or Research Capability or Expert Services per FAR 6.302-3;
- ( ) (4) International Agreement per FAR 6.302-4
- ( ) (5) Authorized or Required by Statute FAR 6.302-5;
- ( ) (6) National Security per FAR 6.302-6;
- ( ) (7) Public Interest per FAR 6.302-7;

**5. Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority):**

**Only One Responsible Source (FAR 6.302-1)** – Olympus America, Inc. has been the sole provider since January 2016, providing these items under lease with maintenance services and repairs. Olympus America, Inc. is the only company that can provide all the necessary OEM parts and perform all the necessary returns and repairs for the Olympus America, Inc. surgical equipment described above due to VHA Handbook 1761.1 – Standardization of Supplies and Equipment Procedures. It is VHA policy to standardize to the maximum extent possible the types and categories of supplies and equipment VHA purchases, consistent with patient care and practitioner needs. Standardization is expected to facilitate best-value product pricing through volume purchasing and facilitate the delivery of high-quality health care. The requesting service has standardized with Olympus America, Inc. since 2012. Purchasing universal alternatives would cause issues with standardization, which could lead to significant patient risk. Accordingly, Olympus America, Inc. is the only firm capable of providing the supplies and services described in Section III above without the Veteran's Health Administration experiencing unacceptable delays in fulfilling its requirements.

**6. Description of Efforts Made to ensure that offers are solicited from as many potential sources as deemed practicable:** Past procurement history indicates that this procurement was supported by successive delivery orders under BPA VA243-BP-0151, which also cited the role that standardization played in creating this BPA with Olympus America, Inc. A search of GSA eLibrary for Olympus America, Inc. in Schedule 65 II A resulted in one GSA contract identified as V797P-2065D. A search in

the VA MedSurg Catalog for Olympus America, Inc. produced one result with Olympus America, Inc. A product search of the Ability One website with description for "Olympus" resulted in no results. A VetBiz search under NAICS code 339112 with keyword "Olympus" produced one match, but a look in the Service Disabled Veteran Owned Small Business' (SDVOSB) website, revealed that this requirement cannot be supported by an SDVOSB firm.

7. **Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable:** The anticipated cost to the government is considered fair and reasonable based upon analysis of pricing information provided by the offeror. The open market items are priced similarly to the items priced under NAC Contract V797P-2065D. The Contracting Officer shall seek additional discounts from Olympus before awarding the delivery order, but is unlikely to obtain any more discounts.
8. **Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted:** Olympus America, Inc. has been the sole provider since January 2016, providing these items under lease with maintenance services and repairs. Due to the proprietary nature, Olympus America, Inc. is the only company that can access its systems remotely and offer certified parts that meet the original equipment manufacturer's specifications. Olympus America, Inc. technicians are the only OEM trained and certified personnel authorized to perform work on this equipment. However, GSA Advantage/e-buy, VetBiz, Ability One and the VA NAC MedSurg Catalog were used to determine if there were any other sources of providing service maintenance agreements on the Philips equipment.
9. **Any Other Facts Supporting the Use of Other than Full and Open Competition:** The open market items listed herein shall be leased in conjunction with other items supported by NAC Contract V797P-2065D.
10. **Listing of Sources that Expressed, in Writing, an Interest in the Acquisition:** Not applicable.
11. **A Statement of the Actions, if any, the Agency May Take to Remove or Overcome any Barriers to Competition before Making subsequent acquisitions for the supplies or services required:** In situations involving medical equipment, it is difficult to remove barriers to competition because the OEM is the only qualified company capable to provide the repair and maintenance of its own medical equipment. This is especially true where proprietary software, specific diagnostics tools, and specialized electronics are used to maintain the equipment in accordance with OEM specifications and VA facilities practice standardization. Unless the manufacturer chooses to license its software and authorize local service providers to maintain the Olympus equipment, the only alternative would be to replace the existing Olympus America, Inc. equipment with a more generic brand. At this time, New York VAMC is satisfied with the quality and operation of the installed equipment, its maintenance and repair. New York VAMC currently does not have the sufficient budget to replace the Olympus equipment. Considerations for new equipment will be made when the existing equipment reaches the end of its life cycle span.
12. **Requirements Certification:** I certify that the requirement outlined in this justification is a Bona Fide Need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge and belief.

Chief of Surgery  
New York Harbor Healthcare System

**13. Approvals in accordance with the [VHAPM, Volume 6, Chapter VI: OFOC SOP](#).**

- a. **Contracting Officer or Designee's Certification (required):** I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief.

Contracting Officer  
NCO 2 Hudson Valley Healthcare System – FDR Campus

- b. **One Level Above the Contracting Officer (Required over\$150K but not exceeding \$700K):** I certify the justification meets requirements for other than full and open competition.

Services Branch Chief, Team 2  
Network Contracting Office (NCO 2)

**No other signatures are required.**
