

Attachment 2: Simplified Market Research Report for Contracting Officers

Simplified Market Research Report

Requirement Title

1. Results from VIP Query (Contracting Officers shall review the [Vendor Information Pages \(VIP\)](https://www.vip.vetbiz.gov) database at <https://www.vip.vetbiz.gov>):

VetBiz was queried using the keywords "HAZMAT Cleanup." Located 28 SDVOSBs and 2 VOSBs.

2. **Market Research Sources:**

No market research conducted. This was an emergency procurement for Cincinnati VA Medical Center covered by FAR Part 6.302-2. A hazardous material has been located in the medical center main kitchen and has closed it down. This service will allow HAZMAT clean-up to begin and make the area safe for work to resume.

3. **Market Research Findings:**

N/A

VAAR 810.001-70 Market Research Policy: When performing market research, contracting officers (CO) shall review the Vendor Information Pages (VIP) database at <https://www.vip.vetbiz.gov> as required by subpart 819.70. The CO will search the VIP database by applicable North American Industry Classification System (NAICS) codes to determine if two or more verified service-disabled veteran-owned small businesses (SDVOSBs) and veteran-owned small businesses (VOSBs), in the appropriate NAICS code, are listed as verified in the VIP database. ***The CO will determine if identified SDVOSBs or VOSBs are capable of performing the work and likely to submit an offer/quote at a fair and reasonable price that offers best value to the Government. If so, the CO shall set-aside the requirement in the contracting order of priority (see 819.7005 and 819.7006).***
