RFI Responses

36C24618Q0276 - Install Flex Vision Upgrade at the Charles George VA Medical Center

1. Will there be vendor drawings sent for the new equipment requirements, so that we are sure that we have the latest version of specifications?
 - Yes, vendor drawings/specifications will be available upon award.

2. Will Philips Healthcare or the facility bio-medical folks be involved to move the existing equipment racks to allow adequate room for the work to be performed? Some of the work will be done behind the existing equipment racks. Some de-cabling may need to be done as well by others. We will not move the racks or take any liability for the existing equipment de-installation or re-installation.
 - Yes.

3. Is there any flexibility in the “begin performance within 5 days” requirement as our current heavy schedule may not allow that at the time of award? The length of the project is only 5 days.
 - Yes, the start date is negotiable.

4. Could we be able to determine when we could do the work by working it into our schedule, as long as it is within a reasonable time frame?
 - Yes, the project timeline is negotiable.
