

Project 517-17-101
Correct Water System for Legionella Phase 2
Questions and Answers for Solicitation 36C245-18-B-0001

1. According to the solicitation, you have to have a WV licensed plumber. Does the General Contractor have to have a WV Contractor license per state law?

Answer- Disregard the Governments response to this question that was issued on 3-16-18, Amendment 00002. Per FAR 52.236-7 (Permits and Responsibilities) and included in this solicitation 36C245-18-B-0001 by reference. The contractor shall without any additional cost to the Government, be responsible for obtaining any necessary license and permits, and for complying with any Federal, State, and municipal laws, codes and regulations applicable to the performance of the work.

2. Are there an adequate number of licenses on the existing controller if there is one present? **Yes.**
