The subject line shall read:

**36C256-18-Q-9251 Preventative Maintenance and Repair on Applied Biologics Assurance Equipment (Genetic Analyzer 3130)**

# **DRAFT**

## **STATEMENT OF WORK (SOW)**

### **Preventative Maintenance and Repair on Applied Biologics (AB) Assurance Equipment (Genetic Analyzer 3130)**

#### **Background**

The Central Arkansas Veterans Healthcare System is seeking a contractor to service the **AB Assurance Equipment (Genetic Analyzer 3130)** located at the John L. McClellan Memorial Veterans Hospital at 4300 West 7<sup>th</sup> Street, Little Rock, AR 72205.

Seeking contractor to provide an annual service agreement for the following:  
Applied Biosystems 3130 Genetic Analyzer:  
Serial number: 1336-018

Provide all labor, materials, parts, tools, personnel, supervision, and transportation to service equipment. Seeking contractor to certify that the equipment is functioning properly and safely and ready for use. Seeking contractor to provide documentation that their company has worked on the specified equipment.

#### **Scope**

1. Seeking contractor to furnish all, parts, labor, personnel, supervision, material, tools, and transportation necessary to perform maintenance and repair on the Applied Biologics Assurance Equipment (Genetic Analyzer 3130) for one year
2. Seeking contractor to provide Original Equipment Manufacturer (OEM) certified replacement parts for equipment. Provide on-site response within 2 working days upon notification of service call.

#### **HOURS OF WORK**

1. Seeking contractor who is capable to provide preventative maintenance and repairs within the hours of Monday through Friday from 8am to 5pm, excluding Federal holidays or as otherwise arranged with the Contracting Officer's Representative (COR).
2. The 10 holidays observed by the Federal Government are: New Year's Day, Martin Luther King Day, President's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day and Christmas Day. Also, any other day declared by the President of the United States to be a national holiday.

## SAFETY REQUIREMENTS / COMPETENCY OF PERSONNEL SERVICING EQUIPMENT

- Potential contractor to take all necessary precautions to protect persons and property from damage during performance of preventative maintenance and repairs. Be responsible for any injury to himself or his employees, or others, as well as for any damage to personal property that occurs during the performance that is caused by him/her or his/her employee's fault or negligence. Maintain personal liability and property damage insurance prescribed by the laws of the State of Texas.
- The COR shall notify the prospective contractor of any safety issues and the action necessary to correct these issues. Such notice, when served on the prospective contractor or his representative at the work site to be deemed sufficient for the corrective actions to be taken.

## PERFORMANCE REQUIREMENTS

### A. Documentation/Reports

- Prospective contractor to be solely responsible for providing Service and Preventative Maintenance Inspection reports, as defined in the Documentation/Reports Section.

## PRIVACY/SECURITY

- Prospective contractor shall not have electronic connectivity to the devices and shall not have access to patient databases or receive screenshots with Patient Health Information (PHI) present. Any electronic or magnetic data storage devices such as hard drives, etc., to be turned into the Information Security Officer (ISO). Electronic or magnetic data storage devices are not to be removed from VA property.
- Information Systems Officer, Information Protection: The contractor shall not have access to VA Desktop computers shall not have access to online resources belonging to the government while conducting services.
- Privacy Officer: The contractor shall not have access to Patient Health Information (PHI) and shall not have the capability of accessing patient information during the services provided to the VA.
- Records Manager: There shall not be federal records created, maintained, used or disposed of during services
