## Electronic Contract Management System

### GETTING STARTED GUIDE FOR VENDORS ON HOW TO LOG INTO THE VA ECMS VENDOR PORTAL

## Useful Links

VA eCMS Vendor Portal (the production version):  
<https://www.vendorportal.ecms.va.gov>

This document includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed -- in whole or in part -- for any purpose other than its intended purpose. This restriction does not limit the Government's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets herein.

The VA Electronic Contract Management System (VA eCMS) is a comprehensive tool used by the VA Acquisition staff to create and manage VA acquisitions. VA eCMS is used to manage the full acquisition lifecycle, including the announcement of solicitations to vendors and the receipt of vendor responses. There are three announcement mechanisms in VA eCMS. VA Acquisition staff will continue to post announcements for full and open competition to FedBizOpps which will now also be available for review, download, and response by vendors via the Vendor Portal. Solicitations for federal supply schedule acquisitions may be posted to e-Buy and will not be available for review via the Vendor Portal. Finally, limited competition acquisitions may be announced directly on the Vendor Portal for review, download and response by invited vendors. A link to the VA Forecast of Contracting Opportunities (FCO) reports is available on the Vendor Portal home page.

This guide provides vendors with information on how to obtain a vendor account, how to log into the Vendor Portal and how to reset the password. There are also instructions on how to edit a vendor user's profile once logged in and instructions how to search FCO reports.

You can find additional documentation in the Help Library of the the Vendor Portal developed to assist vendors with using the Vendor Portal (you need to be logged into the Vendor Portal to access this documentation). For additional help, you can:

- ➔ Access the **New User Help Documents** link on the Login Page
- ➔ Access the **Help Library** tab after logging into the Vendor Portal
- ➔ Contact the VA Acquisition Systems Helpdesk via email at [VA.Acquisition.Systems@va.gov](mailto:VA.Acquisition.Systems@va.gov) or via phone at (877) 634-3739

*Before you can view solicitations on the Vendor Portal you must first register for an account. You can register for an account by going directly to the vendor portal. On the homepage of the vendor portal, there is a link to "Request a User Account" to access the Vendor Portal Self-Registration Utility. This utility will walk you through a few screens so that you can register for an account on the Vendor Portal.*

- ☒ Click on the link below to access the eCMS Vendor Portal:

<https://www.vendorportal.ecms.va.gov>

- ☒ If you do not have an account, you can request one by clicking on the **Request a User Account** link at the bottom of the Vendor Portal Login section on the upper left hand corner of the Vendor Portal homepage,

Step 1:

- Step 2:
- ☒ Enter your 9 digit vendor **DUNS number** as listed in the Central Contractor Registration (CCR) and click **Next**.
