#### ADDENDUM to FAR 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS

Provisions that are incorporated by reference (by Citation Number, Title, and Date), have the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available.

The following provisions are incorporated into 52.212-1 as an addendum to this solicitation:

#### **A. GENERAL INSTRUCTIONS:**

In addition to the information provided in FAR Clause 52.212-1 Instructions to Offerors –Commercial Items, the following instructions to vendors apply:

- (a) All quotes shall be submitted in accordance with the following instructions, which establish the acceptable minimum requirements for the format and content of the quote.
- (b) Your quote must stipulate that it is predicated upon all the terms and conditions of this RFQ and signed by an official authorized to bind your organization. In addition, it must contain a statement to the effect that it is firm for a period of at least 30 days from the date of receipt by the Government.

(c) Quote shall be submitted electronically via email to [Jaime.Belletto1@va.gov](mailto:Jaime.Belletto1@va.gov) and [Lora.Gross@va.gov](mailto:Lora.Gross@va.gov) before the date and time that quote is due. All quotes shall reference 36C10X18Q0130 in the email subject line.

(d) All questions regarding this solicitation shall be submitted via email on or April 11, 2018, at 4:00 PM Eastern Time (ET) to [Jaime.Belletto1@va.gov](mailto:Jaime.Belletto1@va.gov) and [Lora.Gross@va.gov](mailto:Lora.Gross@va.gov). Only written questions will be accepted. It is requested that all questions be combined into one Microsoft Word document. The email subject line shall reference 36C10X18Q0130.

(e) Quotes not submitted directly to [Jaime.Belletto1@va.gov](mailto:Jaime.Belletto1@va.gov) and [Lora.Gross@va.gov](mailto:Lora.Gross@va.gov), or received after the due date/time may not be considered. The email system will not accept file sizes that exceed 5MB. It is the contractor's responsibility to submit all parts of their quote no later than the date and time specified in the RFQ.

(f) Quote Files: The submission shall be clearly indexed and logically assembled. Each volume shall be clearly identified and shall begin at the top of a page. All pages of each volume shall be appropriately numbered and identified by the complete company name, date and solicitation number in the header and/or footer.

All files will be submitted as a Microsoft Excel (.xls/.xlsx), Microsoft Word (.doc/.docx), or Acrobat (.pdf) file or compatible as indicated in the table. Page size shall be no greater than 8 1/2" x 11". The top, bottom, left and right margins shall be a minimum of one inch each. Font size shall be no smaller than 12-point. Times New Roman fonts are required. Characters shall be set at no less than normal spacing and 100% scale. Tables and illustrations may use a reduced font size not less than 8-point and may be landscape. Line spacing shall be set at no less than single space. Each paragraph shall be separated by at least one blank line. Page numbers, company logos, and headers and footers may be within the page margins ONLY, and are not bound by the 12-point font requirement. Footnotes to text shall not be used.

(g) File Packaging: Do not compress (zip) quote files. VA Network Security Operations Center (NSOC) has temporarily blocked email attachments with the ".zip" extension as a mitigation measure against the ongoing world-wide ransomware event impacting many organizations. During this time, .zip file extensions will be permanently stripped from email traffic, and will not be recoverable. Due to VA email file size restrictions, vendors are encourage to logically separate their quote into separate emails. If this is necessary, vendors should attempt to contain complete volume within single email transmissions (and not split volumes). Vendors are encouraged to review and ensure that sufficient bandwidth is available on their end of the transmission.

(h) Content Requirements: All information shall be confined to the appropriate file. The offeror shall confine submissions to essential matters, sufficient to define the quote and provide an adequate basis for evaluation. Vendors are responsible for including sufficient details, in a concise manner, to permit a complete and accurate evaluation of each quote.

(i) Quotes submitted in response of this solicitation shall contain the following in separate volumes:

Volume	Evaluation Factor	File Name	Page Limitations
Volume I	Technical Capability	[Contractor Name] Tech.doc/pdf	10 pages
Volume II	Price	[Contractor Name] Price.doc/pdf	None

(j) Each volume shall be clearly identified and shall begin at the top of a page. All pages of each volume shall be appropriately numbered and identified by the complete company name, date and solicitation number in the header and/or footer

(k) Attachments are required to be in PDF (unencrypted) or MS Word formats only.

(l) The use of hyperlinks in quotes is prohibited. Any quote that fails to comply with all solicitation instructions may be considered non-responsive and may not be accepted or considered for award. All information shall be confined to the appropriate volume. Vendors are responsible for including sufficient details, in a concise manner, to permit a complete and accurate evaluation of each quote.

## **B. VOLUME I –TECHNICAL CAPABILITY**

The technical volume shall demonstrate the ability to meet the requirements in the solicitation, to include the following:

(a) The vendor shall demonstrate successful, recent (within the past three years), and relevant (i.e. experience in providing services similar in size, scope, and complexity) as described in the Statement of Work (SOW). The document shall include a point of contact for each experience.

(b) Planned approach for providing all requirements stated in the SOW, to include equipment descriptions, tasks and execution plan. This should include representative photos of materials developed for previous projects that are similar to those appearing in the SOW.

(c) The vendor's plan for managing the project, risk, quality, scope, change management, detailed schedule and contractor staff.

## **C. VOLUME II –PRICE**

(a) Vendors shall submit a completed Price Schedule (Section B.4 Price/Cost Schedule). Vendors may also, within the one page narrative, detail any discounts or other relevant pricing information.

(b) Vendors shall include signed amendment(s) (SF 30s), if any, in the Price volume. An authorized official of the prime contractor shall sign the amendment(s) and all certifications requiring signature. Additionally, any proposed terms and conditions and/or assumptions upon which the quote is predicated shall be included in the Price volume.

(c) Vendors are hereby advised that any quote- imposed terms and conditions and/or assumptions which deviate from the Government's material terms and conditions established by the solicitation, may render the vendor's quote unacceptable, and thus ineligible for award.

## **E.2 FAR 52.212-2 EVALUATION**

### **FAR 13.106-2 Evaluation of Quotations or Offers**

The Government intends to award a Purchase Order as a result of this Request for Quote to the responsible offeror whose quote conforms to the solicitation requirements and will be most advantageous to the Government, considering price, technical capability and past performance of the service offered. Offerors must be determined responsible according to the standards of FAR Part 9 to be eligible for award.

The Government is not limited to the Past Performance Record information provided above, but reserves the right to independently seek past performance information through open market contracts, government systems, and other government agencies.

The Contracting Officer does anticipate adequate price competition for this RFQ. Should that not happen, the Contracting Officer may need to ask for Data Other than Certified Cost and Price Data to assist with the determination of price reasonableness.

Vendors are advised that submitting an unrealistically low price may be grounds for eliminating a quote from competition. This could be on the basis that the vendor does not understand the requirement or has made an incautious quote.

### E.3 52.212-3 OFFEROR REPRESENTATIONS AND CERTIFICATIONS— COMMERCIAL ITEMS (NOV 2017)

The Offeror shall complete only paragraph (b) of this provision if the Offeror has completed the annual representations and certification electronically via the System for Award Management (SAM) Web site located at <https://www.sam.gov/portal>. If the Offeror has not completed the annual representations and certifications electronically, the Offeror shall complete only paragraphs (c) through (u) of this provision.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
