

SECTION B -- SALIENT CHARACTERISTICS

This is a Brand Name or Equal solicitation. Salient characteristics and brand name manufacturers with associated part numbers are listed below. Line item numbers on quote(s) shall correlate with the line item numbers in the matrix below, or quote(s) may be determined nonresponsive. All furniture shall conform to the fit, form, and function of the design(s) of the VANCHCS facility where it will be installed, as described below, and all items shall be designed for use in an industrial environment.
