**(VI)** This requirement is to supply the Richmond VAMC with a Wander Management System IAW the specifications included in this combo/synopsis. The required Wander Management System will be used to provide a safe environment for patients with dementia and Alzheimer's disease at the Richmond VAMC.

**(VII)** **This is a Brand Name or equal acquisition; vendors shall bid on all or none of the required items. If providing an "or equal" item, vendors must clearly show/define how the "or equal" item is equivalent or better than the brand-name item.** If the contractor can provide the above items, but is not the manufacturer of said items, the contractor shall provide a letter from the manufacturer stating they are an authorized distributor/licenser of their products. Failure to submit an authorized distributor letter shall result in the product(s) potentially offered to be considered "grey market" and shall not be considered technically acceptable.

**Additional Information:**

**(VIII)** Required delivery date is **30 June 2018**. Place of delivery is Richmond VA Medical Center, 1201 Broad Rock Blvd, Richmond, VA 23249. Delivery shall be FOB Destination to Richmond, VA.

**(IX)** FAR 52.212-1, Instructions to Offerors -- Commercial Items (Jan, 2017), applies to this acquisition.

**(X)** Evaluation - This acquisition will be conducted in accordance with Federal Acquisition Regulation (FAR) 52.212-2, and as supplemented by agency procedures using the Lowest Price Technically Acceptable source selection process. Offers will be initially reviewed for compliance of all terms and conditions required by the solicitation. Offers that comply with all terms of the solicitation will then move forward to the next step as detailed below. Offers that do not comply with all terms and conditions of this solicitation may be rejected for noncompliance. Offers shall be ranked according to price. An offeror's proposed price will be determined by multiplying the quantities identified in the pricing schedule by the proposed unit price for each contract line item to confirm the extended amount for each item. The extended amounts will be added together to determine the total evaluated price. The lowest priced offer shall be evaluated for technical acceptability. Technical acceptability shall be evaluated on a pass/fail basis considering whether the proposed product meets or exceeds the specifications. If the lowest priced offer is determined technically acceptable, that offer represents the best value to the government and the evaluation process stops at this point. Award shall be made to that offeror without further consideration of any other offers. If the lowest priced offer is not determined technically acceptable, the next lowest priced offer will be evaluated for technical acceptability and the process will continue in order by price until an offer is judged technically acceptable.

**(XI)** The offeror must submit a completed copy of the provision at FAR 52.212-3, *Offeror Representations and Certifications - Commercial Items* (Nov 2017), with their quote. An offeror shall complete only paragraph (b) of this provision. The offeror shall have completed the Annual Representations and Certifications electronically at <https://www.sam.gov>. If an offeror has not completed the annual representations and certifications electronically at the SAM website, the offeror shall complete only paragraphs (c) through (o) of this provision.

**(XII)** The clause at FAR 52.212-4, Contract Terms and Conditions - Commercial Items (Jan, 2017), applies to this acquisition.

**(XIII)** The clause at FAR 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders - Commercial Items (Jan, 2018) applies to this acquisition. The following clauses under subparagraph (b) apply:
