FAR13.5 Simplified Procedures for Certain Commercial Items: The authority for applying the Simplified Procedures for Commercial Items of FAR 13.5 is 41 U.S.C. 1901 and is implemented by for restricting competition on this procurement via FAR 13.106-1(b)(2).

5. Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority):

The Carinal Health Inventory System is the only system compatible with the Wave Mark system that we have already purchased and is a Cardinal product that uses the RFID tag technology which was purchased on the following PO. The Wavemark components are a major system and most of the services were procured with VACO PO# 101-S35097. The site visit required to amend the preliminary hardware deployment design (PHDD) document to our current situation as well as the user training was procured with VACO PO# 101-C70291 . Both systems which are highly specialized are owned by Cardinal Health who is also our Prime Vendor. To match the exsisting WaveMark cabinets with anything other than the already proprietary Cardinal Health Inventory System would cause extreme difficulty in maintain any data or analytics that is crucial to maintaining proper medical supply inventories and Implant tracking that is vital to patient care.

6. Description of Efforts Made to ensure that offers are solicited from as many potential sources as deemed practicable: This justification will be posted on FBO.gov in order to allow other potential sources to comment.

7. Determination by the CO that the Anticipated Cost to the Government will be Fair and Reasonable:
The prices awarded are anticipated to be fair and reasonable.

8. Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted: Cardinal Health is our prime vendor and is the only system compatible with the exsisting WaveMark system.

9. Any Other Facts Supporting the Use of Other than Full and Open Competition: The Carinal Health Sysytem is the only one that has the RFID tag technology that is compatible with the exsistng WaveMark system.

10. Listing of Sources that Expressed, in Writing, an Interest in the Acquisition:

11. A Statement of the Actions, if any, the Agency May Take to Remove or Overcome any Barriers to Competition before Making subsequent acquisitions for the supplies or services required: The only way to do that is if we completely replaced the entire system.
