This is a Combined Synopsis/Solicitation for commercial items prepared in accordance with the format in [FAR 12.6](#), as supplemented with additional information included in this notice. This announcement constitutes the only Solicitation; quotes are being requested and a written Solicitation will not be issued.

Solicitation number **36C78618Q0360** is issued as a Request for Quotation (RFQ) from interested Quoters.

We anticipate a 100% Veteran Owned Small Business (SDVOSB) Open Market set-aside for this procurement so this requirement will be set aside for SDVOSB concerns.

To receive award consideration as an SDVOSB concern, your company must have a current SDVOSB certification/registration in the Veteran Information Pages (VIP) database at [www.vip.vetbiz.gov](http://www.vip.vetbiz.gov).

The North American Industry Classification System (NAICS) code for this requirement is *336112 Light Truck and Utility Vehicle Manufacturing* – with a size standard in number of employees at 1500 employees.

Any interested Quoter that does not meet the capability and size standard under this NAICS code, should not submit a response to this Combined Synopsis/Solicitation quotation request.

Quoters must also have a current registration in the **System for Award Management (SAM)** at [www.sam.gov](http://www.sam.gov) and are encouraged to go to the SAM database [www.sam.gov](http://www.sam.gov) to verify active status to avoid any possible delays in contract award.

Company Online Representations and Certifications (Reps and Certs) information must also be current in SAM database to qualify to receive a contract award.

Quoter must be an authorized John Deere reseller and must provide proof of authorization.

Quoters are hereby advised that any Quoter-imposed terms and conditions which deviate from the Government's material terms and conditions established, may render the Quoters's quote unacceptable, and thus ineligible for award.

The provision at 52.212-2, Evaluation -- Commercial Items (OCT 2014).

The Government will award a contract resulting from this solicitation to the responsible Quoter whose Quote conforming to the solicitation will be most

advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate Quotes based on (LPTA) Lowest Priced Technically Acceptable.

All quotes shall be subject to evaluation by Government personnel. The Government reserves the right to award without discussions based upon the initial evaluation of quotes.

The Quote will be evaluated strictly in accordance with its written content. Quotes which merely restate the requirement or state that the requirement will be met, without providing supporting rationale, are not sufficient. Award will be made to Quoter whose price for items are lowest among all quotes that were deemed to be technically acceptable.

Quoters who fail to meet the technical requirements of the solicitation will be rated unacceptable and thus, ineligible for award.

Quotes will be evaluated based on the following factors listed as shown below:

**TECHNICAL EVALUATION APPROACH.** The evaluation process will consider whether the quote demonstrates a clear understanding of the technical specifications or features involved in meeting the requirements and whether the Quoter's methods and approach have adequately and completely considered, defined and satisfied the requirements.

Descriptive literature (and supplemental technical Quotes, if deemed necessary by Quoter to supplement the descriptive literature) will be evaluated to determine whether the quoted items meet all of the technical requirements (described above) and are thus considered technically acceptable. Any quoted product that does not meet all of the salient characteristics will be deemed technically unacceptable, and thus ineligible for award.

**PRICE EVALUATION APPROACH.** Proposed pricing shall be provided on a unit price line basis. The Government will evaluate Quotes by adding the total of all line item prices.

Evaluation Process: A Responsibility Determination will also be made in accordance with FAR 9.1 Responsible Prospective Contractors.

The Government will make use of several data bases to aid in establishing a more complete picture of financial risk, responsibility and ability the databases include, but are not limited to: DUNS, PPIRS, EPLS, CPARs, VetBiz (VIP) and the Small Business Administration (SBA).

**ALL QUESTIONS SHALL BE DIRECTED TO THE CONTRACTING OFFICER ONLY!** Please do not contact the National Memorial Cemetery of the Pacific regarding this solicitation.

Interested Quoters must submit any questions concerning the solicitation at the earliest time possible to enable the Buyer to respond.

Questions must be submitted in writing to Ms. Tené Tarver Becknell at [tene.becknell@va.gov](mailto:tene.becknell@va.gov).

**All questions must be received by no later than May 9, 2018 at 6:00PM (EST)** to allow a reasonable response time to questions prior to close of the solicitation.

No questions will be accepted after 6:00 p.m. (Eastern) May 9, 2018 as this solicitation will close on **Sunday May 13, 2018 at 12:00 pm (Eastern)**.

**Due Date for Final Quote Submission:**
