This third floor plan of Building 1 depicts existing condition changes that have occurred since the original design of the Replace Windows Project. Proposed conditions such as the construction of the future Emergency Department and ICU are indicated.

The contractor is responsible for obtaining all current information and verifying all existing conditions before bid.

2-story addition for Emergency Department, ICU and Hemodialysis to be constructed in this area. Proposed start date is April 2012.

2-story Operating Room Suite addition. Completed October 2010.

Specialty Clinic, Mental Health
4-story addition under construction. Proposed finish date May 2012
