## Combined Synopsis/Solicitation for Commercial Items

1.3. The Contractor will be responsible for providing, installing, programming equipment and RF system balancing *if using* equipment not already installed, programmed and balanced. The Contractor shall maintain the service, with clear and sufficient signal quality, up to the headend or receiver at each location. All service maintenance for contractor owned equipment will be at no additional cost to government. Contractor, upon entering the subsequent contract, shall provide a channel program guide and shall notify the COR of changes as they occur to notify subscribers.

### 2. INSTALLATION AND MAINTENANCE

2.1. Installation Approval. The Contractor shall not undertake any installation of any equipment or facilities (including temporary equipment or facilities) without the prior guidance or written consent of the Contracting Officer Representative (COR) or Contracting Officer. Any disconnection of TV Services must be cleared prior with the Contracting Officer Representative (COR).

### 3. SERVICE AND REPAIRS

3.1. The Contractor shall provide routine service calls Monday through Friday between 8:00am – 4:00pm (except for Federal Holidays).

3.2. The Contractor shall provide a service/repair phone number to the Government. Requests for technical telephone support shall be responded to within two (2) hours. The Contractor will begin work on "service interruptions" promptly and in no event later than 24 hours after the interruption becomes known. The Contractor must begin actions to correct other service problems the next business day.

3.3. The Contractor shall furnish an accurate, current repair record upon the completion of each repair/maintenance for each service call completed. The Government shall maintain and update their log for each service call for the duration of the contract.

4. SCHEDULED SERVICE INTERRUPTIONS. A notice to the Contractor to discontinue or reduce a service at a Government facility shall be done via a **MODIFICATION** to the contract.

### 5. UNSCHEDULED SERVICE INTERRUPTIONS.

5.1. The Contractor shall provide routine and emergency repair\maintenance services of Contractor own equipment. Normal maintenance and upkeep to the contractor owned system shall be identified and scheduled with the customer. *(IF APPLICABLE)*

5.2. Outages for routine maintenance shall be coordinated and announced to the customer at least 48-hours in advance.

5.3. Emergency outages shall be repaired within 48-hours or within 48-hours of utility service.

6. BUSINESS OFFICE CONTACT. The Contractor shall maintain a local, toll-free call telephone access line which shall be made available and provided to the COR.

## Combined Synopsis/Solicitation for Commercial Items

7. FCC COMPLIANCE. The Contractor shall ensure that the system is operated and maintained in a manner that meets or exceeds the technical standards required or recommended by the FCC as set forth in 47 CFR Part 76. These standards are mandatory and shall apply to all classes of television channels. The Contractor shall at all times maintain and operate the system in strict compliance with the standards set forth in 47 CFR Part 76.

8. CHANGES TO THE STATEMENT OF WORK.

8.1. The Government recognizes that over the term of this contract, television technology, regulation of television, and the programming service available for distribution will undergo continual change. The technology, equipment, and service required by this SOW may become uneconomical or otherwise disadvantageous to the Government. **Contractors shall advise the Government of the introduction of new equipment and technology at the receipt of the "Notice To Exercise" of each option year.**

8.2. The CO is the only individual authorized to approve changes or modify any of the requirements under this contract. The Contractor shall communicate with the Contracting Officer's Representative (COR) on all matters pertaining to contract administration. The COR is designated to represent the CO in furnishing technical guidance and advice regarding the work being performed under this contract. The foregoing is not to be construed as authorization to interpret or furnish advice and information to the Contractor relative to the financial or legal aspects of the contract. Enforcement of these segments is vested in and is the responsibility of the CO. Only the CO is authorized to make commitments or issue changes affecting price, quantity or performance of this contract. In the event the Contractor effects any such change at the direction of any person other than the CO, the change shall be considered to have been made without authority and no adjustment shall be made in the contract price to cover any increase in cost incurred as a result thereof.

### Submission of Quotes:

(1) Quotes shall be received on or before the **June 21, 2018 at 1200PM CST** of this solicitation. We will not consider any quote that we receive after the deadline unless we receive it before we issue a purchase order; it is in the best interest of the Government and considering it will not delay our purchase.

(2) Quotes shall be submitted electronically via email to [Jacqueline.Simpson3@va.gov](mailto:Jacqueline.Simpson3@va.gov)

(3) Quote Format: The submission should be clearly indexed and logically assembled in order of the evaluation criteria below. The Contractor shall include its company name, address, DUNS and Cage Code.

(4) Questions shall be submitted to the Contract Specialist in writing via e-mail. Oral questions are not acceptable due to the possibility of misunderstanding or misinterpretation. The cut-off date and time for receipt of questions is **06/15/2018 at 12:00 PM CST**. Questions received after this date and time may not be answered. Questions will be answered in a formal amendment to the solicitation so all interested parties can see the answers.

### (5) Evaluation Process:

Please read the below carefully for the submittals and information required as part of the evaluation. Failure to provide the requested information below shall be considered non-compliant and your quote could be removed from the evaluation process.

## Combined Synopsis/Solicitation for Commercial Items

Quotes shall be evaluated under FAR Part 13.106-2(b) -- Evaluation of Quotations or Offers. After the evaluation of quotes, the Contracting Officer may negotiate final terms with one or more quoters of the Government's choice before issuing a purchase order. The Contracting Officer will not negotiate with any quoters other than those that represent the best value to the Government and will not use the formal source selection procedures described in FAR Part 15. The Contracting Officer may issue a purchase order to other than the lowest priced quoter.

### BASES OF AWARD

Award will be made to the technically acceptable lowest priced offeror (LPTA). The Government will award a contract resulting from this solicitation to the responsible quoter whose quote conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate quotes:

1. **Price:** The Vendor shall complete the ABOVE Price Schedule with proposed contract line item prices inserted in appropriate spaces.
2. **Past Performance:** Provide (2) references of work, similar in scope and size with the requirement detailed in the Performance Work Statement. References must include contact information; brief description of the work completed, and contract # (if relevant). Please utilize Attachment 3 – Past Performance Worksheet for your references and please submit as part of your quote submission. References may be checked by the Contracting Officer to ensure your company is capable of performing the Statement of Work. The Government also reserves the right to obtain information for use in the evaluation of past performance from any and all sources to include PPIRS.

**Options:** Except when it is determined in accordance with FAR 17.206(b) not to be in the Government's best interests, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s). The Government will evaluate prices for the option under FAR 52.217-8 by using the last year's option prices to calculate the price for six months of effort, and adding that amount to the base and other option years to arrive at the total.

(x) Please include a completed copy of the provision at [52.212-3](#), Offeror Representations and Certifications -- Commercial Items, with your offer via the SAM.gov website or a written copy. Unless exempted by the Contracting Officer, you must register in SAM before we will issue a purchase order to you. If you do not register by the date set by the Contracting Officer, the Contracting Officer might issue the order to a different quoter. Once registered, you must remain registered throughout performance until final payment. Go to <https://www.acquisition.gov> for information on SAM registration and annual confirmation.

## Combined Synopsis/Solicitation for Commercial Items

(xi) Clause [52.212-4](#), Contract Terms and Conditions -- Commercial Items, applies to this acquisition in addition to the following addenda's to the clause: 52.203-17 Contractor Employee Whistleblower Rights and Requirement to Inform Employees of Whistleblower Rights (APR 2014); 52.204-4 Printed or Copied Double-Sided on Postconsumer Fiber Content Paper (MAY 2011); 52.228-5 Insurance-Work on a Government Installation (JAN 1997); 52.232-40 Providing Accelerated Payments to Small Business Subcontractors (DEC 2013), 852.215-71 Evaluation Factor Commitments (DEC 2009); 852.203-70 Commercial Advertising (JAN 2008), 852.232-72 Electronic Submission of Payment Requests (NOV 2012); 852.237-70 Contractor Responsibilities (APR 1984).

### SUPPLEMENTAL INSURANCE REQUIREMENTS

In accordance with FAR 28.307-2 and FAR 52.228-5, the following minimum coverage shall apply to this contract:

(a) Workers' compensation and employer's liability: Contractors are required to comply with applicable Federal and State workers' compensation and occupational disease statutes. If occupational diseases are not compensable under those statutes, they shall be covered under the employer's liability section of the insurance policy, except when contract operations are so commingled with a Contractor's commercial operations that it would not be practical to require this coverage. Employer's liability coverage of at least \$100,000 is required, except in States with exclusive or monopolistic funds that do not permit workers' compensation to be written by private carriers.

(b) General Liability: \$500,000.00 per occurrences.

(c) Automobile liability: \$200,000.00 per person; \$500,000.00 per occurrence and \$20,000.00 property damage.

(d) The successful bidder must present to the Contracting Officer, prior to award, evidence of general liability insurance without any exclusionary clauses for asbestos that would void the general liability coverage.

**52.217-8 -- Option to Extend Services (Nov 1999)** The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 10 days of contract expiration. (End of Clause)

### **52.217-9 --Option to Extend the Term of the Contract (Mar 2000)**

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 days; provided that the Government gives the Contractor a preliminary written notice

## Combined Synopsis/Solicitation for Commercial Items

of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 Years.

### **Subcontracting Commitments - Monitoring and Compliance**

This solicitation includes FAR 52.219-14 and VAAR 852.215-71, Evaluation Factor Commitments. Accordingly, any contract resulting from this solicitation will include these clauses. The contractor is advised in performing contract administration functions, the CO may use the services of a support contractor(s) to assist in assessing contractor compliance with the subcontracting commitments incorporated into the contract. To that end, the support contractor(s) may require access to the contractor's business records or other proprietary data to review such business records regarding contract compliance with this requirement. All support contractors conducting this review on behalf of VA will be required to sign an "Information Protection and Non-Disclosure and Disclosure of Conflicts of Interest Agreement" to ensure the contractor's business records or other proprietary data reviewed or obtained in the course of assisting the CO in assessing the contractor for compliance are protected to ensure information or data is not improperly disclosed or other impropriety occurs. Furthermore, if VA determines any services the support contractor(s) will perform in assessing compliance are advisory and assistance services as defined in FAR 2.101, Definitions, the support contractor(s) must also enter into an agreement with the contractor to protect proprietary information as required by FAR 9.505-4, Obtaining access to proprietary information, paragraph (b). The contractor is required to cooperate fully and make available any records as may be required to enable the CO to assess the contractor compliance with the subcontracting commitments.

(xii) Clause at [52.212-5](#), Contract Terms and Conditions Required To Implement Statutes Or Executive Orders -- Commercial Items, applies to this acquisition and in addition to the following FAR clauses cited, which are also applicable to the acquisition: 52.203-6, Restrictions on Subcontractor Sales to the Government (SEPT 2006); 52.204-10, Reporting Executive Compensation & First-Tier Subcontract Awards (OCT 2016); 52.204-14, Service Contract Reporting Requirements (OCT 2016); 52.209-6, Protecting the Government's Interest When Subcontracting with Contractors Debarred, Suspended, or Proposed for Debarment (OCT 2015); 52.219-6, Notice of Total Small Business Set-Aside (NOV 2011) ; 52.219-8, Utilization of Small Business Concerns (NOV 2016), 52.219-14 Limitations on Subcontracting (JAN 2017) ; 52.219-28 Post Award Small Business Program Representation (JUL 2013); 52.222-3, Convict Labor (JUNE 2003); 52.222-21, Prohibition of Segregated Facilities (APR 2015); 52.222-26, Equal Opportunity (SEPT 2016); 52.222-35, Equal Opportunity for Veterans (OCT 2015); 52.222-36, Equal Opportunity for Workers with Disabilities (JUL 2014); 52.222-37, Employment Reports on Veterans (FEB 2016); 52.222-40, Notification of Employee Rights Under the National Labor Relations Act (DEC 2010); 52.222-50, Combating Trafficking in Persons (MAR 2015); 52.222-54, Employment Eligibility Verification (OCT 2015); 52.222-59,
