

Questions and Responses

Repair and Maintenance of Automatic Fire Sprinkler System

Q: Do you have a copy of the inspection report from the contractor that performed the inspection??

A: A copy of the inspection reports are attached.

Q: Who came up with the list and then the add to the list?

A: The list of repairs came from the 5 years inspection reports and the additional items added later came from the annual inspection reports.

Q: What their qualifications are?

A: The company that did the inspection reports was "Western States Fire Protection". This repair contract was all based off the recommended repairs from the reports.

Q: Do you have a Fire sprinkler company that is already doing this work or is it in house?

A: We do not have a Fire Sprinkler Company doing the work. There were some items based on the inspection reports we have repaired in house, but the items we could not do in house was added to this Fire Sprinkler Maintenance contract.
