

## Sources Sought Notice

The Department of Veterans Affairs Medical Center, VISN 6 Network Contracting Office (NCO), on behalf of the Durham VA Medical Center is conducting market research through this Sources Sought Notice to seek Service-disabled veteran-owned small business (SDVOSB), Veteran-owned small businesses (VOSB) and/or small businesses sources for the Body Interact Simulator Training Software Program.

Ultimately, at a future date, VISN 6 Network Contracting Office (NCO) intends to solicit and award a firm fixed priced purchase order.

This is a Brand Name only requirement for training simulation software license. For brand name, offeror must be an authorized distributor for the manufacturer. The manufacturer is Body Interact Inc. New equipment only, no remanufactured or gray market equipment is acceptable. Equipment must be covered under manufacturer's warranty.

The North American Industry Classification System (NAICS) Code for this acquisition is 511210 and the Classification code is 7030. All information is to be submitted at no cost or obligation to the Government.

### Product number/ Item description

### Quantity/ Unit of measurement

### Technical Requirements:

The offeror shall provide evidence that technically acceptable supply meets relevant requirement of sources sought

Interested parties should submit with their response the following information: Company information including point of contact; DUN#; business size and economic category (example: SDVOSB, VOSB, WOSB, SB); and if your company is an authorized distributor for the manufacturer - provide a letter from the manufacturer that confirms your status as an authorized distributor.

If interested party has a FSS contract - please include contract number, and whether the equipment is on the contract.

The capability statements received from this market research are for planning purposes only and will assist the Government in planning its acquisition strategy. This is strictly market research and the Government will not entertain questions concerning this market research. The Government will not assume any costs incurred by the contractor in the preparation of responses. Please email this information to [paul.waite@va.gov](mailto:paul.waite@va.gov) no later than 12:00 pm EDT June 27 2018. Phone inquiries will not be accepted.
