--	---	--

A single award will be made on Item 1 AND Item 6, but in the event the offer exceeds the funds available for those items, a single award will be made with Item 2, 3, 4, and/or 5, based on available funding. Offerors shall price each item. ***Deductive Alternates, Items 2 through 5, are to be the amount to be deducted from Item 1.***

The Period of Performance for the base proposal is established as 540 Calendar days and includes the completion of all punch list items. ***For each deduct alternate listed (Item 2 through Item 5), each offeror is to provide the time that it will save to complete the work.***

ATTACH YOUR ITEMIZED COST BREAKDOWN

Offerors are to include a cost breakdown to include a detailed line item cost breakdown (materials, labor, and equipment) by trade, include overhead, profit, bond costs and breakdown of G&A expenses inclusive of all Project Staff and General Requirements OF THE PRIME CONTRACTOR, ***which exhibits the 15% of contract performance that will be incurred for SDVOSB personnel in accordance with FAR 52.219-27 – Limitations on Subcontracting. Failure to do so may render proposal non-responsive***
