RFI Number	Date	Question	Answer
001	18 June 2018	The VA included some specifications for this project, but they appear to be incomplete as they do not cover the major trades required for the project. There were no Division 22 – Plumbing, Division 31 – Earthwork, or Division 33 – Site Utilities Specifications issued. Will the VA issue the complete set of applicable Specifications for this project?	Please refer to “S02_ATTACHMENT 12_ Response to RFI 001 - 605-16-601 Specs” included in Amendment 001
002	25 June 2018	Some of the words on the list of drawings on T-0.02 and the specifications and scope of work on PI-001 are not legible. Can these sheets be re-issued?	Please refer to “S02_ATTACHMENT 13_ Drain Line Repair pg.2-3” included in Amendment 001
003	25 June 2018	The solicitation states the proposals can be emailed or submitted on-site in a sealed envelope. Since there will be a public opening, will the VA set up a conference call or GoToMeeting for those	telecon/conference call opening will not take place for this IFB. Public bid opening will be in-person only.

		submitting electronically to listen in and participate in the public opening?	
004	25 June 2018	Will a conference call be set up for contractors to call into the public bid opening since submission of proposals can be made via email?	The VA does not intend to hold a teleconference as part of the public bid opening.
005	25 June 2018	Will a scanned executed copy of the bid bond be sufficient for electronic bid submission?	Electronic Copies of the Bonding will be acceptable for bid opening so long as all other elements of the executed bond are present. Physical copy of the actual bonding, with the raised seal shall be received mail from the apparent low offeror within 48 hours of the conclusion of the public opening, or will be ineligible for award.
