- Only one source** is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized; ([FAR 8.405-6\(a\)\(1\)\(i\)\(B\)](#));
- In the interest of economy and efficiency, the new work is **a logical follow-on** to an original Federal Supply Schedule order and the original order was placed in accordance with the applicable Federal Supply Schedule ordering procedures. **The original order was not previously issued under sole-source or limited-sources procedures** ([FAR 8.405-6\(a\)\(1\)\(i\)\(C\)](#)); or
