

Attachment A

The guaranteed minimum award amount of this contract is \$2,000.00. The maximum aggregate value of orders that can be placed under this contract is \$10.0 million. The Government does not guarantee that it will place orders under this contract in excess of the guaranteed minimum award amount.

The Government may require continued performance of the contract IAW FAR Clause 52.217-8. If the option to extend services clause is exercised, the price for current ordering period will apply pursuant to FAR Clause 52.217-8 at the rates specified for that ordering period.
