Project: 659-18-204, Building 7 Renovation
Amendment 0003 - Attachment – Responses to RFP Questions

1. Question: Who is responsible for moving equipment and furnishings in work area?

Answer: VA

2. Question: Drawings do not show wall and door for new storage room 1100A?

Answer: See Amendment 0002

3. Question: Confirm that the only rough plumbing and trenching is for the two new offices 1100 and 1100B.

Answer: Yes

4. Question: Note 4 on plumbing plan indicates installing new sinks and associated cabinets, there are no details for the cabinets. Could you clarify?

Answer: Cabinets are no longer required.

5. Question: I've been on FBO for this solicitation and cannot find any information on the additional flooring in other buildings. Could you clarify.

Answer: See Amendment 0002

6. Question: Page 5 of solicitation Price/cost schedule has an item 2 for painting, It's my understanding that painting is no longer in contract. Should we write N/A on price line or are we responsible for painting the new construction?

Answer: New walls will need painting.

7. Question: This is more of a FYI. The first sentence of the price/cost schedule description and the SOW references the refractory boiler.

Answer: See Amendment 0002

8. Question: At the site visit there was discussion about flooring in other locations outside of Bldg 7 – could the VA provide drawings and finish schedule for these areas?

Answer: See Amendment 0002

9. Question: What are the existing conditions for the areas not in Bldg 7 where work will be completed under this contract?
