

Quality Assurance Surveillance Plan (QASP)

For: Emergency Residential Transitional services for VA authorized homeless Veterans

Contract Number: <Government will enter number upon award>

Contract Description: Contractor shall provide rapid placement in a supportive, residential setting to Veterans referred by the South Texas Veterans Healthcare System in need of emergency transitional housing, food, supportive services, case management and community referrals.

Contractor's name:

1. PURPOSE

a. This Quality Assurance Surveillance Plan (QASP) provides a systematic method to evaluate performance for the stated contract. This QASP explains the following:

- What will be monitored
- How monitoring will take place
- Who will conduct the monitoring
- How monitoring efforts and results will be documented

b. This QASP does not detail how the contractor accomplishes the work. Rather, the QASP is created with the premise that the contractor is responsible for management and quality control actions to meet the terms of the contract. It is the Government's responsibility to be objective, fair, and consistent in evaluating performance.

c. This QASP is a "living document" and the Government may review and revise it on a regular basis. However, the Government shall coordinate changes with the contractor. Copies of the original QASP and revisions shall be provided to the contractor and Government officials implementing surveillance activities.

2. GOVERNMENT ROLES AND RESPONSIBILITIES

The following personnel shall oversee and coordinate surveillance activities.

a. Contracting Officer (CO) - The CO shall ensure performance of all necessary actions for effective contracting, ensure compliance with the contract terms, and shall safeguard the interests of the United States in the contractual relationship. The CO shall also assure that the contractor receives impartial, fair, and equitable treatment under this contract. The CO is ultimately responsible for the final determination of the adequacy of the contractor's performance.

Assigned CO: Jennifer Salerno-Diciuccio

b. Contracting Officer's Representative (COR) - The COR is responsible for technical administration of the contract and shall assure proper Government surveillance of the contractor's performance. The

Quality Assurance Surveillance Plan (QASP)

COR shall keep a quality assurance file. The COR is not empowered to make any contractual commitments or to authorize any contractual changes on the Government's behalf.

Assigned COR:

- c. Other Key Government Personnel –

3. CONTRACTOR REPRESENTATIVES

The following employees of the contractor serve as the contractor's program manager for this contract.

- a. Program Manager - *<Offeror will enter name(s) upon award>*
- b. Other Contractor Personnel - *<Offeror will enter name(s) upon award>*

4. PERFORMANCE STANDARDS

a. Performance standards define desired services. The Government performs surveillance to determine if the contractor exceeds, meets or does not meet these standards.

b. The Performance Requirements Summary Matrix below includes performance standards. The Government shall use these standards to determine contractor performance and shall compare contractor performance to the Acceptable Quality Level (AQL) on a quarterly basis.

c. Contractor will be held to the same standard as VA personnel through quality assurance and performance monitoring to ensure compliance under this Contract. The Quality Assurance and Performance Monitoring will be governed by the appointed COR who will be responsible for verifying compliance with the terms and conditions of the contract. After the contract is awarded, any incidents as evidenced by the monitoring procedures will be forwarded immediately to the Contracting Officer. In addition, the COR will forward the summary evaluation of the contractor performance to the Contracting Officer once performance ends.

5. METHODS OF QA SURVEILLANCE

Various methods exist to monitor performance. There will be quarterly meetings held with the Contractor to discuss any issues. In addition, the COR shall use the following surveillance methods in the administration of this QASP:

- a. Observation. Observations will be taken during any and all site visits by any HCHV or VA staff (items 1-7, 9).
- b. Veteran Queries and Complaints. HCHV staff relies on the Veteran to identify deficiencies. Veterans will be queried as to the services being provided to them. Any identified concerns or complaints are then investigated and validated (items 2, 3, 4, 6, 9, 10).
- c. Random and Periodic Inspection. Inspections will be accomplished randomly and no less than once per year (items 1, 2, 3, 5, 7, 8, 9).
- d. Report Reviews/Evaluations. Reviews and Evaluations of required reports will be conducted as received. Deficiencies will be noted and communicated to the Contractor for corrective action (items 2, 3, 9).

6. DOCUMENTING PERFORMANCE

- a. The Government shall document positive performance. Any report may become a part of the supporting documentation for any contractual action.
- b. When unacceptable performance occurs, the COR shall inform the contractor within three (3) days of the unacceptable performance. This will normally be in writing unless circumstances necessitate verbal communication, in which case the notification will occur within one (1) day. In any case the COR shall document the discussion and place it in the COR file.

Quality Assurance Surveillance Plan (QASP)

c. When the COR determines formal written communication is required, the COR shall prepare a Contract Discrepancy Report (CDR), and present it to the contractor's program manager.

d. The contractor shall acknowledge receipt of the CDR in writing. The CDR will specify if the contractor is required to prepare a corrective action plan to document how the contractor shall correct the unacceptable performance and avoid a recurrence. The CDR will also state how long after receipt the contractor has to present this corrective action plan to the COR. The Government shall review the contractor's corrective action plan to determine acceptability.

e. Any CDRs may become a part of the supporting documentation for any contractual action deemed necessary by the CO. In addition, any performance that is below the standards set-forth in Section 4 may subject the Contractor to the termination for default provision or result in non-exercise of any future option periods.
