

THIS IS A SOURCES SOUGHT NOTICE

(a) ATTENTION SDVOSB/VOSB Vendors. If quotes are received from two or more eligible SDVOSBs or VOSBs and in the estimation of the contracting officer, a contract award can be made at a fair and reasonable price that offers best value to the Government, this procurement will be set-aside to SDVOSB or VOSB sources.

(b) The Government does not intend to award a contract on the basis of this sources Sought Notice or to otherwise pay for the information solicited.

(c) Although “proposal,” “offeror,” contractor, and “offeror” may be used in this sources sought notice, any response will be treated as information only. It shall not be used as a proposal.

(d) Any information received from a contractor in response to this Sources Sought may be used in creating a solicitation. Any information received which is marked with a statement, such as proprietary” or “confidential,” intended to restrict distribution will not be distributed outside of the Government, except as required by law.

(e) This Sources Sought is issued for the purpose of collecting information about the availability of equal products from different sources for the desired product listed in the “Price/Cost Schedule” that meets the salient characteristics listed within this notice.

(f) Contractors that feel they have an equal product are encouraged to provide a quote in response to this notice and/or email full information to Katherine Fairley at Katherine.Fairley@va.gov.

- Contractors shall identify the NAICS code for the product being offered as well as their size status.
- Contractors shall complete the “Price/Cost Schedule” for the purpose of market research.
- Contractors shall furnish supporting documentation which demonstrates that the proposed “equal” products meet or exceed the salient characteristics listed within this notice.
- Contractors shall include the terms and conditions of the warranty for all products listed in attachment.
