No.	Questions	Answer
1	<p>There are several discrepancies between the Program for Design and the Conceptual Floor Plan provided. Only one PACT Consult Room (EXPA1) is listed in the program, while 12 are shown in the conceptual floor plan. Zero PACT Team Work Areas (WRTM1) are listed in the program, while 12 are shown in the conceptual floor plan. There are two Patient Education Workstations (CLSC2) and two MVH Workstations (CLSC2) listed in the program, while zero are shown in the conceptual floor plan. There is one Lift Storage (CSME1), OIT Workstation (OFA07) and Pharmacy Kiosk (RCHK2) rooms shown on the conceptual floor plan, while zero are listed in the program. Please clarify.</p>	<p>Please see Amendment No 2.</p>
2	<p>Since none of our previous sites have a walking distance public bus service, would WSSA, LLC be able to submit a new site for the RLP?</p>	<p>Yes. You may submit, at your own risk, any site you feel meets the requirements of the RLP.</p>
3	<p>What is the prospectus amount for this project and or where can one find it?</p>	<p>VA receives a delegation from GSA. GSA's prospectus threshold is currently approximately \$3.1 million, un-serviced annual rent.</p>
