

## QUESTIONS & ANSWERS

### **RFQ # 36C24818Q9690 - 0001**

#### **GPS VEHICLE TRACKING & MONITORING SYSTEM SERVICES**

1. Will the government be providing a list of the Makes, Models and Years of all 250 vehicles that need to be configured to accept the OBD tracking devices?  
 **Yes, please see Attachment #7 – Vehicle Listing. There has been a change in SOW, so please see revised SOW that includes an increase in the amount of vehicles per year.**
2. Is the agency requesting removal of existing telematics equipment in preparation for new equipment to be installed or does removal refer to future removal as vehicles are replaced?  
 **NO**
3. The price schedule only allows for quoting the Monitoring System. Is this correct?  
 **Price Schedule has been revised. Please see new revision attached.**
4. Installation is requested. Where should quote it?  
 **Yes, installation is required. We would have to be charged for the installation in the base year and include a line item for the option years just in case we need to have the equipment installed in any additional vehicles that we receive.**
5. Do you have a vehicle list? Make? Model? Depending on the type of vehicle will determine the hardware? Heavy duty vehicles require different devices than passenger vehicles?  
 **Same as Question #1. Has been provided on Attachment #7 – Vehicle Listing**
6. Are all the vehicles based in Tampa and will be brought to the VA location?  
 **YES**
7. I noticed the Solicitation Number: 36C24818Q9690 and wanted to confirm if corporations outside of Service Disabled Veteran Owned Small Business sector are able to (allowed to) participate?  
 **YES. All social economic categories are encouraged to send in a quote.**
8. Whether companies from Outside USA can apply for this? (like from India or Canada)  
 **NO**

9. Whether we need to come over there for meetings?  
✚ YES
10. Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)  
✚ NO
11. Can we submit the proposals via email?  
✚ YES
12. Item Number – Are you requesting a price for 12 months for 250 vehicles inclusive of Hardware, Software, Installation and training?  
✚ **Originally yes, however price/schedule has been since revised. Please see revised pricing schedule.**
13. There should be a (1) time charge for the equipment, hardware, software, and training.  
✚ **When we receive additional vehicles then we should only be a cost for the equipment and hardware.**
14. Vehicle list - needed for accurate quote.  
✚ **Same as Question #1. Has been provided on Attachment #7 – Vehicle Listing**
15. Install schedule / vehicle availability? Will impact quote.  
✚ **Installation may vary depending on when the vehicles are not to be used. Will take coordination.**
16. What do you mean with QTY 1 and POP date on your delivery schedule?  
✚ **Period of Performance (POP) and 1 Job or service for that time frame.**
17. What does JB stand for in the Price and Cost Schedule?  
✚ **JOB. Has since been modified to reflex EA (each) & MO (month)**
18. Extension would be greatly appreciated.  
✚ **No extension will be given.**  
Closing Date remains the same for **4pm on 08/29/2018**

**\*\*\*Deadline for additional questions are due:  
12pm noon on 08/27/2018**
