

Scope of Work Document

Florida National Cemetery

Fuel Supplies

Florida National Cemetery requires diesel fuel and regular unleaded gasoline to accommodate the needs of the cemetery. The fuel will be used to support cemetery operations.

- Diesel fuel will be used off-road and should meet off-road requirements. Diesel must be low sulfur.
- Gasoline must be regular, unleaded gasoline (87 Octane).
- Fuel will be delivered monthly, or as needed to ensure adequate supply for cemetery operations.
- Florida National Cemetery will contact the vendor by phone or by email to establish fuel orders and deliveries.
- All fuel deliveries must be made Monday through Friday, between 9:00am and 3:00pm, excluding Federal holidays.
- Fuel deliveries must be made within Five (5) calendar days of notification.
- Fuel delivery vehicle must be equipped with a metering device which accurately measures the amount of fuel delivered.
